# WHY CHOOSE HAT COLLECTIVE?

We are a curious company, on a quest to empower individualization in the workplace through our collection of flexible, ergonomic solutions for the contract office market. Our brand is committed to quality and affordability, with an emphasis on customer service and exceptional levels of support for our network of dealers. It's easy to do business with HAT Collective.

## EXCEPTIONAL SERVICE

Our reliable, responsive teams are dedicated to personalized service. Whether online or in person, we keep things simple. HAT Collective is easy to work with.

## DESIGN-FORWARD

The efforts of our innovative in-house Danish and American manufacturing teams combine to create an aesthetically impactful product collection.

## CUSTOM MADE EASY

Our products prioritize personalization, giving you a multitude of ways to create your ideal workspace.

## QUICK SHIPPING

Bi-coastal warehouses and a large number of in-stock products mean we're able to fulfill orders in as little as three business days (or less).

## WELL-PRICED

We remain committed to excellence and affordability as we endeavor to revolutionize well-being and productivity in the workplace.

# HAT CONTRACT

## PRODUCT LINE

HAT Contract is one of the largest American suppliers for height adjustable tables, providing solutions for any workspace configuration. Known for quick shipping and exceptional service, our bi-coastal warehouse locations mean we get product to you fast. That's great service.

# WORKSTATIONS

HAT Contract workstations quickly create an active and productive office environment. Choose from height-adjustable bases or workstations to retrofit your existing desk. Do you need privacy or prefer to work in a group? We've got you covered. Thanks to easy mounting options, manual and electric adjustability, and a long list of additional customizations, we're confident we have a workstation for you.

## MID HAT, 2-STAGE

This two-legged, height-adjustable base is the ultimate in workspace transformation. The exclusive Folding HAT frame design allows for easy assembly, quickly fitting into any corner or rectangular station. The quiet electric motor system is eco-friendly and makes movement simple.

HAT bases are reliably stocked in three colors, with optional custom color match capabilities. This clever design is expandable, with no fixed-width cross bar to stand in your way.

### FEATURES

- **Integrated:** Includes programmable four-position LED handset and cable manager.
- **Electric Lift:** Dual sync motors allow for a 300 lb. lift capacity, which raises at 1.2" per second.
- **Smart:** Anti-collision safety sensor prevents accidents.
- **Certified:** BIFMA, UL 962, GreenGuard, and qualifies for LEED credits.
- **A Safe Space™ Product:** Easily reconfigured to allow for social distancing in the workplace.

## HI HAT, 3-STAGE

Create an active work environment with a base that offers maximum height capability. With Hi HAT, users have increased access to movement, which allows for a healthier, happier, and more productive work life.

This sturdy three-stage electric base uses an easy-to-assemble, folding frame design. The width of the base is expandable and includes a reliable, programmable handset, dual sync motors, and the assurance of an anti-collision safety monitor.

### FEATURES

- **Integrated:** Includes programmable four-position LED handset and cable manager.
- **Electric Lift:** Dual sync motors allow for a 300 lb. lift capacity, which raises at 1.5" per second.
- **Smart:** Anti-collision safety sensor prevents accidents.
- **Flexible:** Hi HAT also works in corner and 120-degree configurations.
- **Certified:** BIFMA, UL 962, GreenGuard, and qualifies for LEED credits.
- **A Safe Space™ Product:** Easily reconfigured to allow for social distancing in the workplace.

## HAT POWER & DATA BEAM

Shown with optional Dividers and Cable Management Tray

Keep your workspace organized and powered up with this convenient plug-in track. Whether you need power, data, or voice to do your job, this accessory allows for a clean custom set-up.

The lightweight Power Data Beam keeps wires off the floor and nestled neatly under your worksurface. Its built-in BYRNE 8 TRAC power system includes a four-circuit, eight-wire electrical system. The beam also allows for integrated divider installation.

### FEATURES

- **Quick-Mount:** Clips for the power trac come pre-installed.
- **Configurable Layout:** 180°, 120°, L, T and X connector post options available.
- **Easy Install:** With only seven parts, this beam is quickly and easily put together.
- **Adaptable:** Includes voice and data cover plates, as well as data jack adapter kit.
- **Power:** All state electrical regulations can be met.

## HAT BENCHING

Shown with optional Cable Management Tray

This dynamic benching unit provides flexibility and affordability in one sleek solution. Replace traditional workstations with all-in-one benching, allowing employees to maintain movement by alternating between sitting and standing positions throughout the day. HAT benching quickly creates a productive, comfortable, and healthy office environment.

The HAT Benching design is available in various widths and can be used with PET, fabric, acrylic, or white board dividers. The unit incorporates a convenient built-in power and data beam, along with position programming and dual sync motors for safe, easy height adjustments.

### FEATURES

- **Integrated:** A Power Beam, Power Trac with jumper connector, and programmable four-position LED hand set are incorporated.
- **Smart:** Anti-collision safety sensor prevents accidents.
- **Electric Lift:** Dual sync motors have a 300 lb. lift capacity.
- **A Safe Space™ Product:** Add in dividers to enable social distancing in the workplace.
- **Power:** All state electrical regulations can be met.

## WINSTON WORKSTATION®

Expansive workspace

Seamless height adjustment

This workstation instantly converts any desk into a sit stand workspace, boosting health and productivity. Winston is available in single, dual, triple, and quadruple monitor support.

The Winston's worksurface easily reserves room for a keyboard, mouse, and storage tray. Retrofit your existing desk into a healthy workspace with three easy mounting options. Winston Compact is ideal for users with limited space who want to take advantage of a healthy sit-stand workstation.

### FEATURES

- **Stability:** Features an overall height adjust range of 17" and a locking cylinder to keep the workstation in place.
- **Easy:** Retrofit your existing desk with freestanding, desk clamp, or thru-desk options.
- **Organized:** Clips in the column and beam keep cables out of the way.
- **Convenient:** Expansive worksurface and storage tray allows you to bring all necessities with you when you stand.
- **A Safe Space™ Product:** Can be easily disinfected between users.

## WINSTON-E®

Focal depth adjustment allows for ergonomic viewing

Independent monitor height adjustment

Winston-E is a responsive powered riser that takes the sit-stand conversation to a whole new level. The next-generation retrofit worksurface with monitor arms is engineered for freedom of movement and is available in a single, dual, or triple monitor configuration.

Featuring one-touch electric power, the desk's programmable control remembers your height so you can set it and forget it. Focal depth adjustment and independent movement keeps monitor at a comfortable, ergonomic level.

### FEATURES

- **Easy:** Installers can get Winston-E from box to up-and-running in less than 20 minutes. No need to move or replace furniture.
- **Programmable:** Electric lift remembers your height settings for one-touch adjustment.
- **Flexible:** Independent monitor movement enable easy screen sharing.
- **Convenient:** Large worksurface and newly designed storage tray allow you to bring all necessities with you when standing.
- **A Safe Space™ Product:** Can be easily disinfected between users.

# DIVIDERS

Dividers create privacy in any open environment.

We offer easy-to-install partitions, adding distinctive design and spatial barriers to your office landscape.

Choose from a variety of materials, opaque or transparent, permanent or portable to take advantage of the protection, acoustic control, and flexibility of HAT Dividers.

## MESA SLIDE

Mesa dividers create privacy in any open environment. Easily install these partitions between workstations, adding distinctive design and a barrier of space to your office landscape.

To keep things quick and portable, look no further than Mesa Slide. Take privacy and protection with you, wherever you go.

### FEATURES

- **Easy Install:** Simply slide the divider onto your desk surface to create privacy.
- **Portable:** Transfer your protective barrier by grabbing the slide and taking it with you to the cafeteria or a meeting.
- **Quiet:** Acoustical properties allow for noise reduction in open office floor plans.
- **Environment:** Made from 60% post-consumer recycled PE plastic water bottles, the 100% recyclable polyester fiber makes PET dividers the eco-friendly privacy solution.
- **A Safe Space™ Product:** The Mesa Slide enables social distancing and is easy to disinfect between users.

# STORAGE

Stay organized and keep your belongings secure with HAT storage units. Our mobile pedestals are heavy-duty, lockable, and comfortably accommodate your office supplies. Slide your mobile storage unit underneath your worksurface for easy, out-of-the-way access.

## MOBILE PEDESTALS

Mobile Pedestal Slim

Mobile Pedestal with optional cushion

Keep your belongings organized and secure in a convenient storage unit on wheels. These heavy duty steel pedestals come in two sizes and both include full-extension, lockable drawers.

Additional features include a pencil tray and filing capabilities, for both letter and legal paper sizes. Slide your mobile pedestal underneath your worksurface for easy access.

### FEATURES

- **Secure:** Key-alike locking capabilities available for personal security.
- **Smart:** Anti-tipping counterweight and locking casters included.
- **Mobile:** The design includes a pull handle for easy moving.
- **Customizable:** Add an optional seat cushion – available in a wide variety of colors.
- **A Safe Space™ Product:** Easily reconfigured to allow for social distancing in the workplace.

# SIS ERGO

## PRODUCT LINE

SiS Ergo is a pioneer in the world of height-adjustable tables. Our collection features distinctive Danish design and manufacturing, along with a wide variety of product customizations. Outstanding global service makes it easy for users everywhere to enjoy SiS Ergo's high-quality, personalized workplace solutions.

# WORKSTATIONS

SiS Ergo workstations are the height of innovative design and functionality. This height-adjustable, customizable collection promotes an active work environment with unmistakably European flare. Paired with our elegant power and data solutions, they enable infinite space-planning capabilities. A sleek aesthetic and quality construction come together to provide a beautiful, healthy, and personalized work experience.

## S-COLLECTION SE 2-LEG, 2-STAGE

The SE 2-Leg, 2-Stage desking solution exemplifies the Danish design principles of simplicity and functionality. This electric, height-adjustable table offers a slightly smaller height range than the 3-stage, but with equal weight capacity and visual configurations.

A wide range of color combinations, finishes, and surface shapes make the 2-stage a highly customizable option. This electric sit-to-stand table comes in a 2-leg configuration with a long list of optional features.

### FEATURES

- **Adjustable:** Electric motor allows for a 350 lb. lift capacity, raising at 1.5" per second.
- **Smart:** Standard, software-based collision detection mitigates damage.
- **Certified:** Meets ANSI/BIFMA standards and is ETL listed to UL 962.
- **A Safe Space™ Product:** Easily reconfigured to allow for social distancing in the workplace.

## S-COLLECTION SX 2-LEG, 3-STAGE

The SX 2-Leg, 3-Stage offers S-Collection's largest height range. This electric sit-to-stand table comes in a 2-leg configuration, with all of the bells and whistles we could fit onto one worksurface.

Elegance meets powerful functionality in this 2-leg, 3-stage height-adjustable desking solution. Choose from a wide range of laminates, finishes, and optional tech features to create your ideal workspace.

### FEATURES

- **Adjustable:** Electric motor allows for a 350 lb. lift capacity, raising at 1.5" per second.
- **Smart:** Premium, hardware-based collision detection mitigates damage.
- **Certified:** Meets ANSI/BIFMA standards and is ETL listed to UL 962.

## S-COLLECTION PANEL MOUNTED

Our panel integration solution is designed to create a seamless union between the S-Collection and panel systems. Brackets introduce a safe locking solution into the system by staying free from pinch points and avoiding interference with existing furniture.

Panel Mount integration is available for new systems as well as pre-installed units. Working with existing panels presents a cost-efficient option and reduces waste for a more environmentally friendly approach. Integration also creates space below the surface by allowing for the use of smaller feet. The recessed frame design is perfect for adding a storage pedestal or CPU.

### FEATURES

- **Adjustable:** Electric motor allows for a 350 lb. lift capacity, raising at 1.5" per second.
- **Smart:** Premium, hardware-based collision detection mitigates damage.
- **Safe:** Brackets keep the table in a fixed lateral position, maintaining important pinch gaps around the perimeter of the desk to avoid damage or injury.
- **A Safe Space™ Product:** Easily cleaned and disinfected between users.

## IVY™

In a world of personalized workstations and height-adjustable desks, organizing power sources can get complicated. Introducing Ivy, a brilliant power and data distribution solution. This system offers five types of junctions and three different lengths, enabling infinite space-planning capabilities.

Ivy is made from rich woods, supple felt, and sleek steel in an inspiring design to enhance your office. Ivy conceals and protects receptacle connections, while leaving them out of sight and out of mind. The beam profile also allows for the concealed management of up to 25 data lines. Elevate your office with the unmatched aesthetics and planning flexibility of Ivy.

### FEATURES

- **Customizable:** Five junctions, two angles, and three different lengths ensure Ivy meets all of your power management needs.
- **Beautiful:** Danish design sensibility and the use of high-quality materials turn a mess of wires into an aesthetically pleasing addition to your workspace.
- **Environmentally Friendly:** Made from sustainably-sourced wood and Declare-labeled PET felt.

## M-SERIES WALL MOUNT

This wall-mounted desking solution takes the beauty of the M-Series and adds a tilting mechanism.

Perfect for small spaces, hospitals, and lobbies, the Wall Mount delivers an ergonomic, height-adjustable touchdown area. Wall Mount is also available with added tilt for easy adjustability in a small mounting footprint.

### FEATURES

- **Ergonomic:** A manually-operated mechanism quickly adjusts height without the use of electric power.
- **Storable:** Tilt allows for a full vertical bend between top and column, making each desk easy to flip up and out of the way.
- **Secure:** A safety brake with integrated locking mechanism keeps the table in place.
- **A Safe Space™ Product:** Easily cleaned and disinfected between users.

## M-SERIES NESTING

M-Series Nesting combines collaborative, mobile desking with the benefits of sit-to-stand. The unique flower petal design enables quick room reconfiguration, from training rows to huddle groups, and nesting saves space.

Nesting desktops can even be ordered with dry-erase white board laminate, allowing users to jot notes during a meeting, flip the top to 90 degrees, and present on their own personal white board. Your training room has now become an ergonomic, innovative, and flexible resource for the entire team.

### FEATURES

- **Ergonomic:** A manually-operated mechanism quickly adjusts height without the use of electric power.
- **Smart:** Base incline allows easy nesting for maximum space-saving, without compromising aesthetics or functionality.
- **Innovative:** Movable desktop doubles as a personal presentation white board.

# DIVIDERS

Discover visual and acoustical privacy with SiS Dividers. Our environmentally-conscious products use a unique mounting system and toolless adjustment. As always, we prioritize functionality and aesthetic, providing elevated design and easy-to-install solutions.

## AURA®

AURA (Adjustable Unlimited Recycled Acoustical) is more than your average screen. This environmentally conscious product offers visual and acoustical privacy using a unique mounting system, which allows for a tool-less adjustment. Just lift-up, flip, and drop the screen back into the mounts.

AURA's pleated design adds an aesthetic component and allows the screen to wrap around corners and adapt to various surface conditions. This adjustable screen is made with 60% post-consumer recycled content.

### FEATURES

- **Stylish:** Functional and elegant, AURA offers separation, without interfering with workspace aesthetic.
- **Smart:** Designed to retrofit on existing or new workstations with unlimited partition options.
- **Certified:** Fire Rating UL tested ASTM E-84: Class A and LEED compliant.
- **A Safe Space™ Product:** AURA facilitates social distancing in the office.

Wraps around and adapts to various worksurfaces

Configures for privacy / modesty

# MONITOR ARMS

Our sophisticated monitor arms provide ergonomics, space savings, and clever design. Here, you'll find one-touch adjustment, effortless movement, and sure-footed stability to support a multitude of screen configurations. Reclaim your desktop with our sleek mounting systems that are easy to install.

ENVOY™

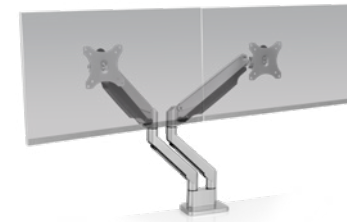

This powerful articulating arm gives you control of your comfort with one-touch monitor adjustment. Reclaim your desktop with the sleek cable management system and a mount system that is easy to install.

Envoy effortlessly swivels, tilts, and pivots, providing a wide range of movement, including portrait-to-landscape rotation.

FEATURES

- **Balanced:** Tension adjustment at each joint allows for seamless counterbalance.
- **Responsive:** One-touch monitor adjustment.
- **Flexible:** Swivels, tilts, and rotates from portrait to landscape.
- **Quick-Install:** Detachable, quick-install VESA plate(s) reduces installation time.
- **Compatible:** VESA-monitor compatible - 75mm & 100mm VESA adapter(s) included.

Envoy Dual offers a space-saving design

Easily adjust height for comfortable viewing

## ELLA®

Ella Dual can support two monitors with screen sizes up to 30"

Integrated handle enables one handed monitor adjustment

Ella's groundbreaking design is surpassed only by its unparalleled performance. Discover easy installation and 180 degrees of controlled motion with this desk-mounted monitor arm.

This next-generation monitor arm offers effortless movement and sure-footed stability for screens up to an astonishing 43" wide. Or choose the Dual Ella to mount two 30" screens, allowing you to work the way you want without sacrificing style.

## FEATURES

- **Effortless:** Integrated handle allows for easy monitor movement.
- **Quick-Install:** Mount installation is performed above desk for quick and easy set-up.
- **Flexible:** Easily rotate flat panel monitor for portrait or landscape viewing.
- **Controlled:** Built-in 180-degree rotation stop at the base of the arm.
- **Compatible:** VESA-monitor compatible - 75mm & 100mm VESA adapter(s) included.

## STAXX™

Designed for modularity, this groundbreaking display system can accommodate up to six monitors using a single mount. Staxx is a completely configurable pole-based solution allowing the addition of monitors by stacking more of the same parts on top of each other.

Flexible extension arms allow you to independently position the monitors for your perfect viewing angle. Staxx also comes in a Wide model, enabling even larger screen mounting capabilities.

## FEATURES

- **Scalable:** Easy to install and reconfigure.
- **Capable:** Mount large screens stacked or side by side.
- **Customizable:** Available in a wide range of sizes and configurations.
- **Adjustable:** Flexible extension arms provide easy positioning and personalized viewing angles.
