

Cleaning Instructions

Gently rub the surfaces with a soft damp cloth to remove any dust and dirt.

Dry by passing a dry lint-free cloth over the wet areas. Repeat until the chair is completely dry.

Replacement Part Instructions

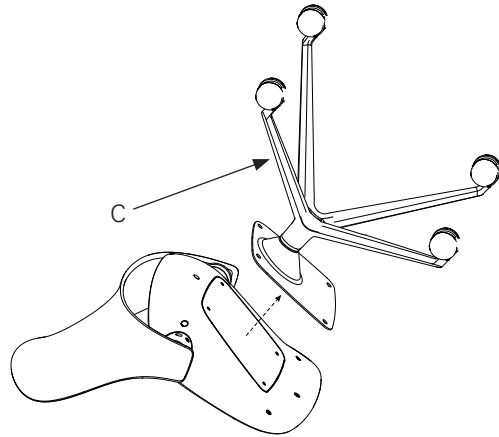

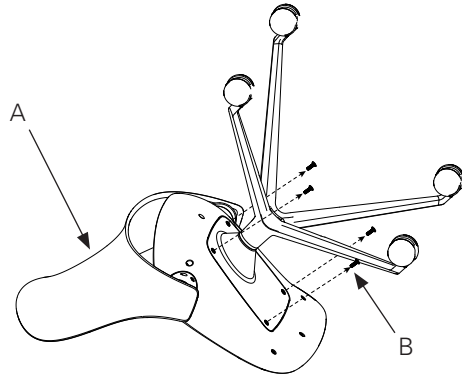

Replacing Base

1 - Turn the Trea chair upside down and lie on a soft surface or tabletop. (fig. A)

2 - Remove all 4 screws from the baseplate (fig. B)

3 - Remove base from seatpan and set aside. (fig. C)

Note: to install new base, follow the above steps in reverse using the desired base.

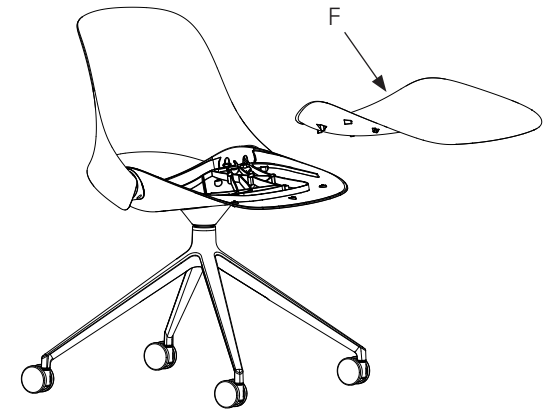

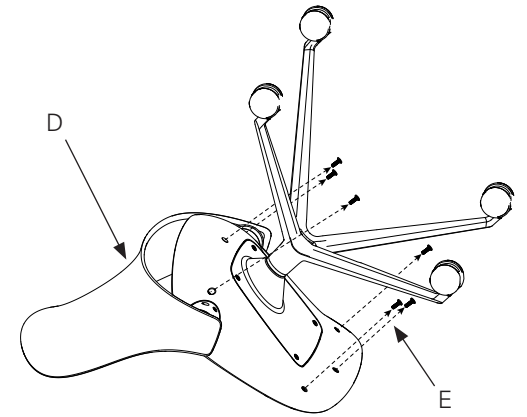

Replacing Seat

1 - Turn the Trea chair upside down and lie on a soft surface or tabletop. (fig. D)

2 - Remove all 6 screws from the base (fig. E)

3 - Turn chair upright and lift off the seat. (fig. F)

Note: to install new seat, follow the above steps in reverse.

Replacing Caster or Glide

1 - Pull old or broken caster/glide off of the base. (fig. G)

2 - Insert new caster/glide into the base and push it in until you feel it click into place. (fig. H)
