

# BACKSBERG

1916

FIFTH GENERATION RANGE

## SUMMER BERRY ROSÉ 2022

*Backsberg celebrates five generations of winemaking heritage. A celebration of summer, this fresh and juicy rosé epitomises lazy days and dappled sunrays.*

### VITICULTURE

Heavier bearing vineyards scattered around the Cape are optimal for this delightfully bright and fresh rosé wine.

### VINIFICATION

The fruit is cool-picked later in the harvest at 20 degrees Balling and treated similarly to a white wine. Colour and primary fruit flavours are extracted from skin maceration. The grapes are then cool fermented in stainless steel tanks for early consumption.

### TASTING NOTE

Off-dry with a sweeter palate, be delighted by a basketful of juicy strawberry, raspberry sorbet and a crisp yet textured mouthfeel. Infinitely drinkable, this is an anywhere, anytime wine best paired with al fresco soirées.

### BLEND

*Grenache & Pinotage*

### WINE OF ORIGIN

**Western Cape**

### AGING POTENTIAL

Best enjoyed within 2 years

### FOOD PAIRING

Enjoy chilled with cheese and charcuterie boards, poultry or a scrumptious Strawberry Eton Mess.

### TECHNICAL ANALYSIS

Alc 12.5%  
RS 15 g/ℓ  
pH 3.5
