MUSICAL MUSE

Get cozy at The Elizabeth in one of their intimate lounges. With a music inspired hotel concept, spin your favorite record and settle in as you discuss your must-have wedding details.

A GRAND ENTRANCE

We love a groom that plans a romantic entrance for his future Mrs! Let all the excitement and butterflies of the future wedding inspire a grand gesture of love. Take her breath away by dolling up a stairwell entrance to dinner with gorgeous blooms by Emily Rose Floral Design. Between cocktails at The Elizabeth's Sunset Lounge and dancing the night away at the hotel's music venue, Magic Rat, you'll never want the night to end!

COFFEE CUES

Enjoy a slow morning with good coffee at The Elizabeth's brew house and restaurant, The Emporium Kitchen & Wine Market. Stroll around Old Town and stay rooted in what matters most, your love!
