WHO WE ARE

Brooke Waldo and Lauren Kinder launched Front Porch Gift Co. in the summer of 2020 in an effort to support local, small businesses in Colorado Springs. Built on the desire to make the practice of gift giving easy, simple, yet still thoughtful, each box is curated and packed with care to make a lasting impact on your recipient. Giving the perfect gift has never been so easy!

OUR MISSION

Life is full of moments worth celebrating, and here at Front Porch, our goal is to help you love people well, while highlighting local makers and artisans.

We dearly love our community and the small businesses that set it apart. Each product we offer has been hand-selected with our neighbors and community in mind. Whether it's for yourself or for a friend, teacher, family member, colleague, neighbor, you name it... we hope it brings joy!
