EM500 Digital Siren

The Redtronic EM500 Siren range have had many improvements including reduced size aluminium enclosure with improved heat dissipation and state of the art SMD technology, easier selectable options and improved aesthetics. The EM500 comes with PA capability on certain models offering more availability in options required for an all in one solution. The EM500 is available in 9 country tone settings that are selectable externally for ease of use. The EM500 Siren comes with a 3 year warranty.
