GECKO Duo Dash Mount

With USB Connection

The Gecko Duo Dash Mount is a temporary, powerful and compact warning light primary mounted internally at the base of the vehicle windscreen. Now available in models offering a USB Type A or C connection therefore taking into consideration the trend of many modern vehicles no longer offering cigarette socket connections. Where standard Gecko DDM models are unable to be used (due to limited USB socket voltages), this USB range now incorporates a 5v dropper circuit all inbuilt in the visor enclosure.

The Gecko DDM is ideal for marked or discrete emergency vehicles and utilises 2 of the GECKO6 directional LEDs providing not only intense, but a wide angle output whilst benefiting from a plug and play operation. It can also be used in the amber safety sector in the amber variant and is pre-set to a ECE R65 double flash pattern.

The unit comes equipped with an optional die cut adhesive pad which can bond the visor directly to the windscreen along with the addition of the side mounted suction cups. Also included in the kit is an isopropyl wipe which will ensure the window is free of dirt or grease prior to application.

The visor prevents light reflecting back inside the vehicle cab reducing the possibility of dazzling the driver or any passengers. Alternative models include a hardwired cable or a multi-function cigarette plug. The Gecko DDM is manufactured in the UK and is endorsed with a 3-year warranty.

Part Number	Colour	Voltage	Colour Type	Warranty
G6HS2CBB-USB-TA		5V	Single Colour	3 years
G6HS2CBB-USB-TC		5V	Single Colour	3 years
G6HS2CBW-USB-TA		5V	Split Colour	3 years
G6HS2CBW-USB-TC		5V	Split Colour	3 years
G6HS2CAA-USB-TA		5V	Single Colour	3 years
G6HS2CAA-USB-TC		5V	Single Colour	3 years

Features and Benefits

- USB Type A or C Connection
- Wide-Angle & Intense Optics
- Ultra-strong UV stabilised polycarbonate lens
- Ultra-bright latest generation LED's
- R65 class II approved (blue & amber)
- EMC R10 compliant
- Voltage 5 VDC
- Dimensions: L 238.6mm x W 115mm x D 53.7mm
- Warranty: 3 years
