1 INSERT/REMOVE

Place your iPad into the hinges with the home button on the right, and your Brydge placed on a flat surface

Lift iPad to test the hinge grip. Your iPad and Brydge should be held tightly together

If iPad is loose, remove and give the hinges a gentle squeeze. Repeat this process until your iPad is held firmly

To remove, grab your iPad and pull straight up, with one hand firmly holding your Brydge against a hard surface

2 PAIR

Turn on by switching the small silver button on the front left of your Brydge to the right. A green dot will appear.

Put your Brydge into pairing mode by pressing and holding the long silver button on the front left of your Brydge for 3 seconds

On your iPad, under Settings>Bluetooth, select Brydge7.9

3 CHARGE

A continuous flashing blue light indicates your Brydge has less than 10% battery life left

Insert the supplied MICRO USB cable

Charging is confirmed by a solid red light under the right shift key. Your Brydge is fully charged when the light turns off

NOTE: Charging takes up to 3 hours
