**ADVANTAGE**

# FLAT BOTTOM STORAGE TANK

View all sizes & prices on [Enduraplas.com](http://Enduraplas.com)

**DESIGNED BETTER. BUILT STRONGER. LASTS LONGER.**

### STRONG-X™ ROOF DESIGN

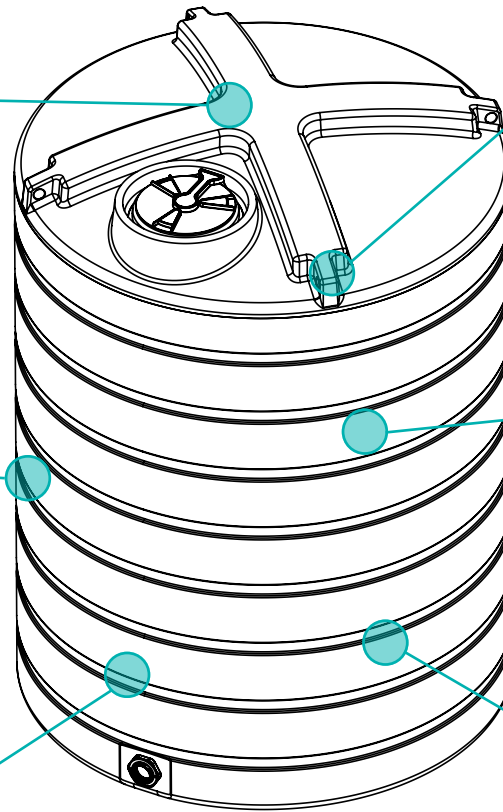

The beefed-up roof structure with molded-in truss-like supports eliminates collapsing in extreme weather conditions.

### RIBBED-WALL™ STRUCTURE

The ribs act like belts around the tank keeping it in shape. This reduces bulging.

### THICK-WALL™ DESIGN

Extra-thick walls provide unmatched strength and durability.

### ANCHOR-POINT™ LUGS

Four hefty built-in lifting and tie-down points at each corner make it easy to handle.

### ROTO-MOLD CONSTRUCTION

When cooked and cooled at an even rate, the raw material is bonded together to make this tank virtually indestructible.

### SINGLE-PIECE™ CONSTRUCTION

Rotationally-molded in a single mold means the tank is seamless, water-tight and leak-proof.

\*Double your 5 yr tank warranty when you register this product. \*All Enduraplas poly tanks are manufactured in the United States of America.

**ENGINEERED FOR ENDURANCE®**
