WOCA INTENSIVE CLEANER SPRAY INSTRUCTIONS

WOCA Intensive Cleaner Spray is WOCA Intensive Wood Cleaner pre-mixed with water for spot treating floors, counters and table tops. It removes most difficult dirt, grease and stains.

WOCA Intensive Wood Cleaner is a heavy duty, strong cleaner that can strip and dry out an oil finish if used frequently. After the cleaned surface is dry, it should be touched up with one of the following products- **WOCA Maintenance Oil/Gel, Master Color Oil or Diamond Oil Active to restore the finish and bring the luster back.**

Work instructions:

1. Before use shake bottle of Intensive Cleaner carefully.
2. Spray the Intensive Cleaner onto the surface.
3. Leave solution to dissolve stain and dirt etc. Wipe the surface dry with a firmly wrung cotton cloth.
4. Leave the surface to dry.
5. Once dry, touch up treated area with a WOCA Oil or Gel to restore the finish.

Packaging: .75 liter

Coverage: 1500 sq. ft.

Tip: For extremely difficult stains, we also recommend WOCA Spot Remover.
