

PORTFOLIO

F/STOP

82 | LEICA Q2 "GHOST"

Inspired by the faded 'ghost' bezels of iconic vintage watches, Leica is launching the Q2 "Ghost" by Hodinkee in two variants – one of which is strictly limited to 150 pieces

86 | EN VOGUE

The demand for analogue cameras and film continues to grow – especially among 'digital natives', who are discovering the merits of a more conscious and decelerated approach

92 | CONTACT PRINT

An exceptional street scene by Swiss photojournalist Dominic Nahr marks the start of the new LFI series on pictures that stand out from the contact sheet

New addition to the Q2 family: the Leica Q2 "Ghost" by Hodinkee

Zorana Mušikić took pictures at the northern Polar Circle

Leica M6 Special

6 | HOMAGE TO THE LEICA M6

A camera, ten photographers: unforgettable pictures in a declaration of love for the Leica M6 and analogue photography

Horst H. Baumann

20 | LEICA CLASSIC

Unusual perspectives, exciting compositions: the rediscovery of the life's work of a visionary

Zorana Mušikić

38 | YAMAL

Snow, ice and reindeer hides: the Berlin photographer documented the daily life of a nomadic people in the Siberian tundra

Daria Troitskaia

54 | CHAMBER OF WONDERS

Dedicated to still lifes: harmonious compositions of selected antiques, in a new guise of light and colour

Klavdij Sluban

66 | SNEG

Snow is the common thread running through his images – Klavdij Sluban has produced a monochrome series imbued with melancholy

LIGHTBOX

96 | LFI.GALLERY

Over 40 000 photographers present more than 1.5 million pictures in the LFI.Gallery. Included in this issue: solemn looks, flying hair and an idea with fish

PHOTO
