

PORTFOLIO

F/STOP

78 | LEICA M11

The newest member of the M family offers a higher resolution, faster operation and lower image noise than any M before it: the M11 is both groundbreaking and rooted in tradition

86 | M LENSES

Their unique, characterful renditions appeal to photographers within the M community and beyond: in this issue, we start our new series on the M system's current lens portfolio

90 | LEICA & MYKITA

Two companies, one vision: produced in a modern manufactory in the dynamic heart of Berlin, the Leica-Mykita eyewear collection is the epitome of a successful collaboration

The Leica M11: the new camera takes M photography to the next level
