**2003, Res. 6/2020**

This cheerful painting has bright blue and purple leaves of color going up the image. Note the colorful Iris flowers that are outlined in blue watercolor crayons also. Black pigment is the selected color to push back the background and give depth to this floral grouping. The leaves of various greens are outlined in green. Other leaves of warm orange-golds also continue up the painting. Three iris flower blooms are in shades of red, one is blue and all add much color to enjoy.

## **Watercolor Iris #103052**

Watercolor/Watercolor Crayon (\$400)
