## Leg Up Performance Oil

Leg Up Equine Oil has been specially formulated to assist your horse in gaining peak performance. Cold pressed rapeseed oil has an optimum omega-6 to omega-3 ratio (2:1). We enrich the rapeseed oil with marine oil from NZ caught fish that are high in fatty acids: EPA and DHA. These long chain omega-3 fatty acids improve the horses blood circulation and oxygen delivery to its muscles. Our promise is to provide Leg Up Equine Oil that is natural, fresh and ready to give you the edge over your competition.

### Key Benefits

- Promotes coat shine and improves condition
- Assists respiratory health and blood flow
- Balanced source of essential fatty acids critical to your horses health and diet (including the critical long chain omega-3s: EPA and DHA).
- Cool source of energy

### For Best Results:

- Feed into a balanced diet (high in fibre)
- Feed in conjunction with Leg Up protein meals
