

Table of Contents & Study Assignments

| | |
|--|--|
| 6 | Introduction |
| 11 | AANHCP Oath, Disciplinary Policy, and 4 Guiding Principles |
| Training Step 1 – Independent Study | |
| 13 | Part 1 – The Wild Horse and the Natural Trim |
| 13 | · Origins of the horse and the natural trim [includes study assignments] |
| 17 | · A-force – The Adaptation Force [includes study assignments] |
| 19 | · Naturally shaped hooves in the U.S. Great Basin [includes study assignments] |
| 26 | · Research, experimentation, birth of NHC Science [includes study assignments] |
| 28 | · 4 Pillars of NHC [includes study assignments] |
| 36 | · Natural Trim defined [includes study assignments] |
| 40 | Part 2 – Structures of the Horse’s Foot |
| 41 | · Epidermal structures |
| 41 | · Dermal structures |
| 41 | · Bones and joints of the foot |
| 42 | · Major tendons of the foot |
| 42 | · Other internal structures of the horse’s foot |
| 43 | · Study Assignments |
| 48 | Part 3 – Importance of Measuring |
| 50 | · Navigational Landmarks |
| 51 | · Critical Measurements |
| 52 | · H° and H°TL |
| 54 | · B° and B°TL |
| 56 | · Putting it all together |
| 58 | · Study Assignments – Measuring H°, H°TL, B° & B°TL with Hoof Meter Reader |

Table of Contents & Study Assignments (cont'd)**68 Part 4 – Characteristics of the Naturally Shaped Hoof**

- 68 · Mustang Roll
- 70 · Front versus hind hooves:
 - 70 ◊ *Size (Volar)*
 - 70 ◊ *Toe Length*
 - 70 ◊ *Toe Angle*
 - 70 ◊ *Shape: Symmetry and Asymmetry*
- 72 · Angle of Growth

76 Part 5 – What is Hoof Balance?

- 76 · Active and passive wear patterns of the hoof wall
- 78 · Orientation of tubular horn
- 79 · H°TL
- 79 · Hard Sole Plane (HSP)
- 80 · Frog and Hard Frog Plane
- 80 · Heel balance
- 82 · Natural hoof balance defined

84 Part 6 – Hoof Form and Function

- 84 · Study Assignments

86 Part 7 – Tools and Equipment**88 Part 8 – Physical Conditioning Exercises**

- 91 · Stretching
- 92 · Push-ups
- 94 · Squats
- 95 · Sit-ups
- 96 · Hand grippers
- 98 · Dumbbells
- 100 · Summary and study assignment

102 Part 9 – Sequencing

- 106 · Study Assignments

108 Part 10 – The Natural Trim Step-by-Step

- 108 · Study Pre-Assignments
- 108 #1 · Measuring and recording data (pre-trim)
- 109 #2 · Nipper dragging to find the Hard Sole Plane (HSP)
- 110 #3 · Balancing the heels with the *Heel Balancer*
- 110 #4 · Trimming the hoof wall relative to the HSP
- 112 #5 · Trimming the lower hoof wall for the mustang roll
- 112 #6 · Removing excess growth from the outer hoof wall
- 114 #7 · Trimming the lower outer wall for the mustang roll
- 114 #8 · Accentuating the water line
- 115 #9 · Measuring and recording final data (post-trim)
- 115 · Study assignments

116 Part 11 – Independent Study - Written Exam**Practicums – Post Step 1 Training Steps**

- 117 Cadaver Trim Clinic
- 118 Sequencing Clinic
- 119 Live Horse Trim Clinic
- 120 Field Mentorships
- 121 Student Practitioner, Level 1: Final Written & Field Exams
- 122 Student Practitioner, Level 1: Status on AANHCP website
- 123 Student Practitioner, Level 2 – Final Written and Field Exams
- 124 ISNHCP Practitioner Status
- 125 Continuing Education

Appendices

- 126 Advanced Natural Trim Training Program
- 128 Quiz Keys
- 136 Index
- 137 Index of Quizzes
