

DIY Clay Blush

INGREDIENTS:

Jojoba Oil	11.4g (57%)
Mineral Blush Base	4.3g (21.5%)
Candelilla Wax	3.6g (18%)
Red 5 Iron Oxide	0.7g (3.5%)

TOOLS:

100ml Beaker
Long spatula
Pocket scale

RECOMMENDED PACKAGING:

10g Tin Can
Mini Deo Tube
Eco Lip Tube
Oval Lip Balm Tube

DIRECTIONS:

1. Sanitize your work area.
2. Weigh the ingredients in a glass beaker.
3. Mix Jojoba oil and Candelilla wax and melt over an electric stove on low heat or a water bath. Make sure to stir occasionally.
4. Once melted, pour the Mineral blush base and Red 5 Iron Oxide. Stir until fully incorporated.

** It may be easier blend them together if you pour liquid into the mineral blush base and Red 5 iron oxide.*
5. Pour into your containers and set aside to cool down.
