Help the Three Little Pigs build their houses before the Big Bad Wolf shows up! Just like in the book, each pig has his own house – one straw, one stick and one brick – and a bed to set inside. The straw and stick houses are designed to "blow down" easily while the brick house stands strong. After hiding behind some trees, the Wolf can actually fit down the brick house's chimney, only to land in a pot of boiling soup. Read the included picture book then use the Three Little Pigs and Wolf to act out the story or make up your own tale! Have extra fun with creative do-it-yourself projects found in the back of the book.
