PRODUCT INFORMATION

Cleaners

Heavy Duty Citrus Industrial Parts Cleaner

with D-Limonene

FEATURES & BENEFITS

Heavy Duty Citrus Industrial Parts Cleaner with D-Limonene is a strong, solvent-based, product, specifically designed for the effective removal of adhesive residues on glass and metal surfaces as well as industrial and machine parts. This industrial cleaner can also be used for the removal of other contaminants such as wax, oily films, grease and silicone residues. The aerosol format provides ease of application.

DIRECTIONS FOR USE

Spray Heavy Duty Citrus Industrial Parts Cleaner with D-Limonene directly onto contaminated surfaces. Allow product to briefly soak into the residue or contaminants. Wipe off cleaner and residue with a clean cloth. For surfaces that may have sensitive finishes, spray product on a cloth and wipe the surface clean.

PRECAUTIONS

REFER TO SAFETY DATA SHEET FOR PRECAUTIONS IN HANDLING.
