TIMBER DESK WITH DRAWERS

Timber Desk With Drawers Assembly Instruction Guide

Sleek and architectural, the Timber Desk with Drawers is manufactured from a walnut-stained ash wood, featuring a front and side drawers for extra storage. A natural complement to any of our seating options.

Top tips, important safety information & recommendations

Carefully unpack your frame. Do not use a knife to cut through packaging!

ASSEMBLY:

2 person

REQUIRED AREA:

2 x 2 metres

REQUIRED TOOLS:

Allen key

IMPORTANT:

Please check that all the parts are present and read the instructions thoroughly before commencing with assembly and retain them for future reference. It is important to inspect all items BEFORE assembly, if for any reason you need to return this item, you must return it in its original packaging. Assembled items CANNOT be returned.

TIPS BEFORE YOU START:

We recommend that all items are assembled close to the place they will be in use and on a protective surface to avoid any unnecessary movement or contact that may damage the product. For ease during assembly identify the parts required before commencing each step, taking care to avoid over-tightening the fittings as this may damage the furniture.

SAFETY:

Take extreme care when handling and lifting heavy products to avoid personal injury or damage to the item. Keep children well away from the assembly area due to the heavy products as well as choking hazard from small components.

WARNING:

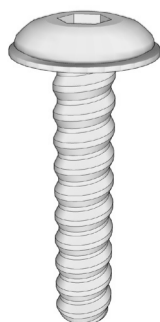

Please use this product for the specified purpose only, it is not to be stood on. If parts are missing, broken, damaged or worn stop using the product until fully repaired. Failure to follow safety and warning information could result in serious injury.

RECOMMENDATIONS:

Please periodically check all fittings and re-tighten if necessary. To avoid fire risks, warping and surface de-lamination keep away from strong heat sources and never allow liquid to remain on your furniture. To clean, lightly dampen a soft cloth and wipe, buffing with a dry clean cloth.

SUPPLIED FITTINGS:

A

Qty: 8

B

Qty: 1

PLEASE CHECK YOU HAVE THE CORRECT FITTINGS
AND READ THROUGH BEFORE COMMENCING WITH ASSEMBLY !

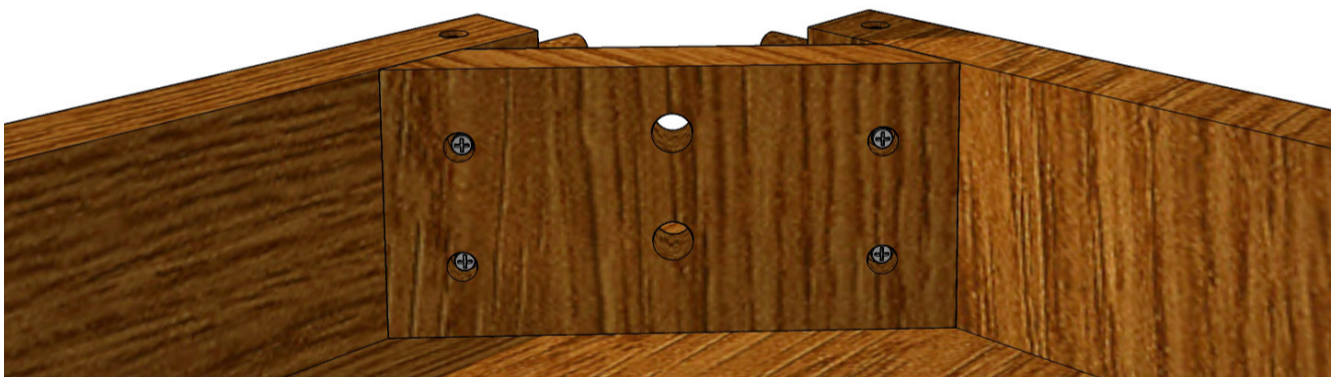

STEP 01:

Place the desk top upside down on a protective surface to begin the assembly process.

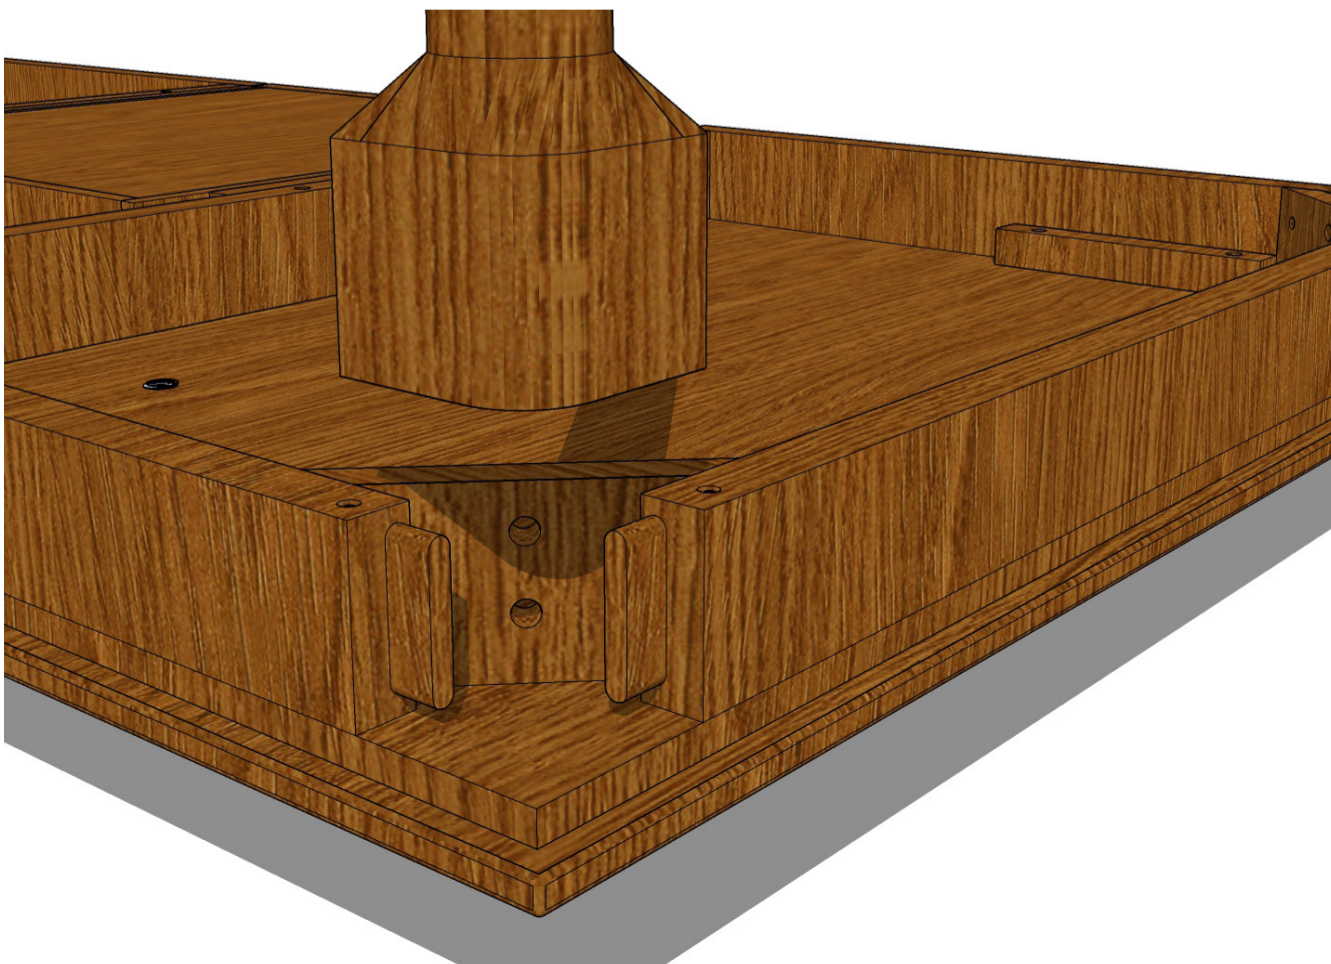

STEP 02:

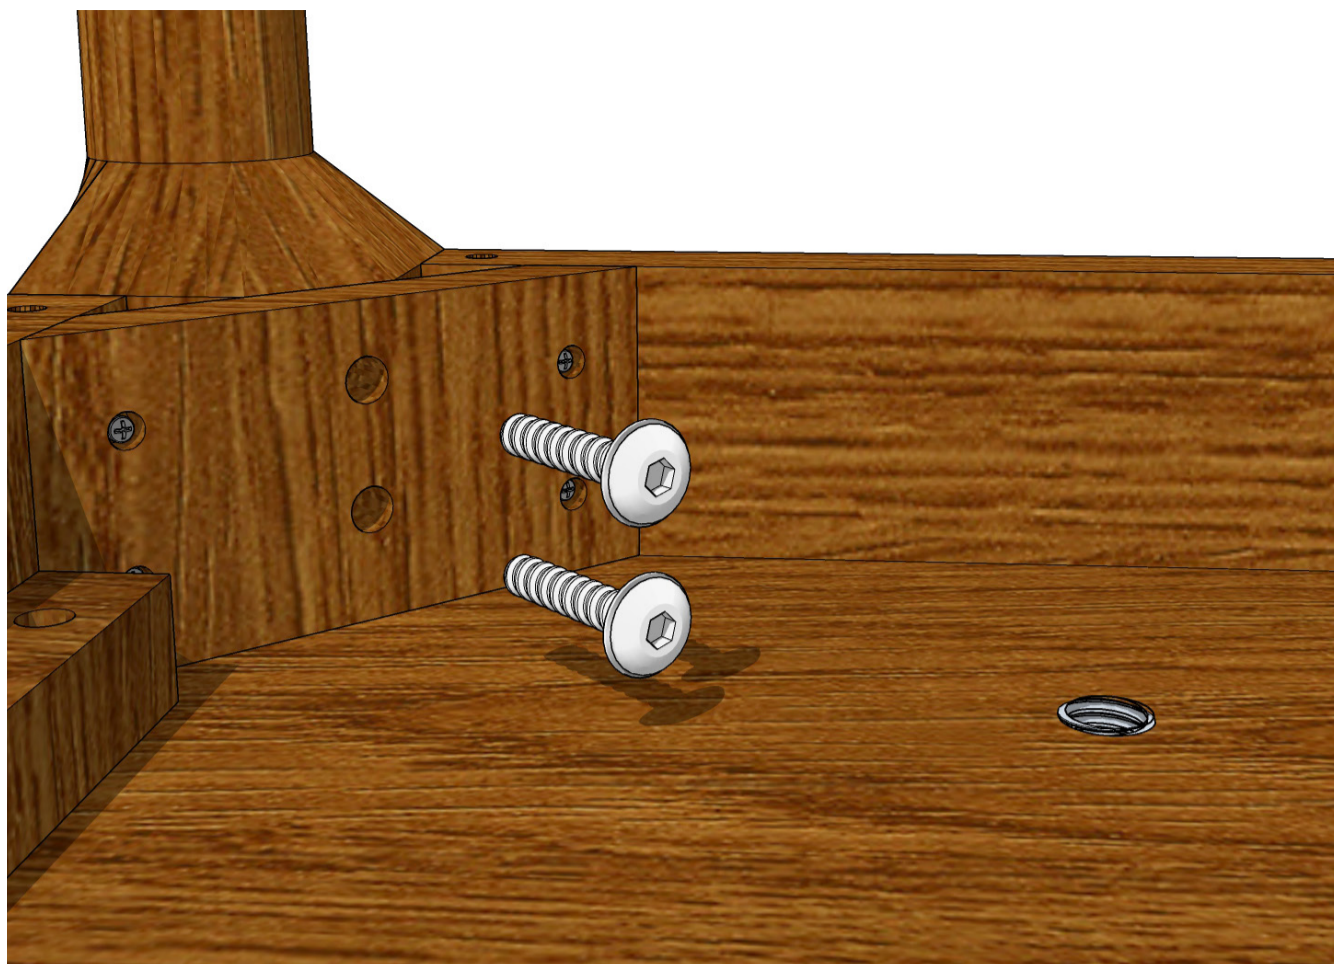

Unpack all the desk legs and prepare to slot in at each corner of the desk top.

STEP 03:

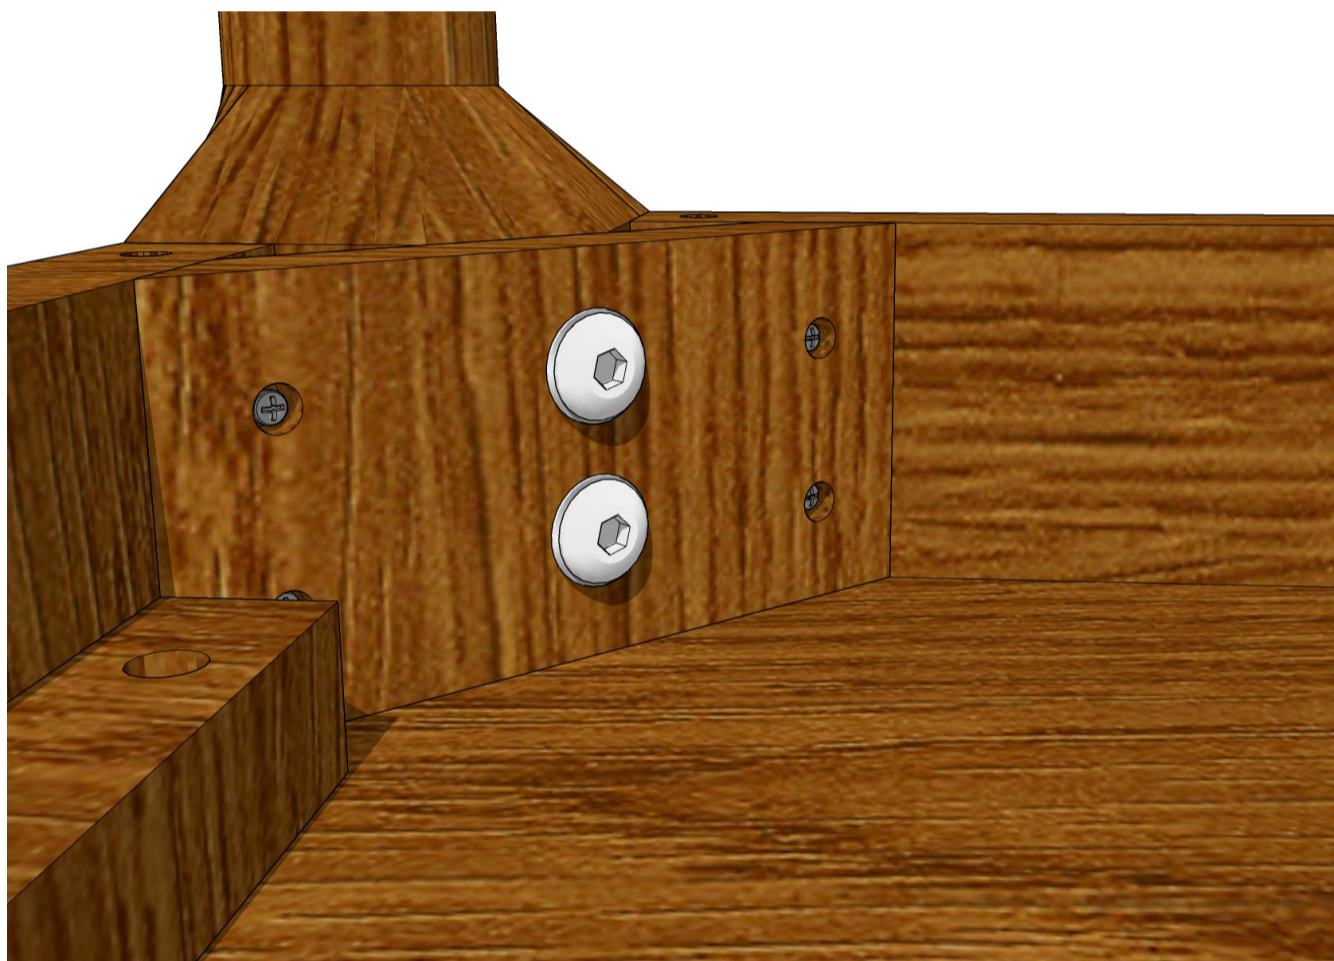

Carefully place the desk leg and move on to the next step before you repeat the same process with the other legs.

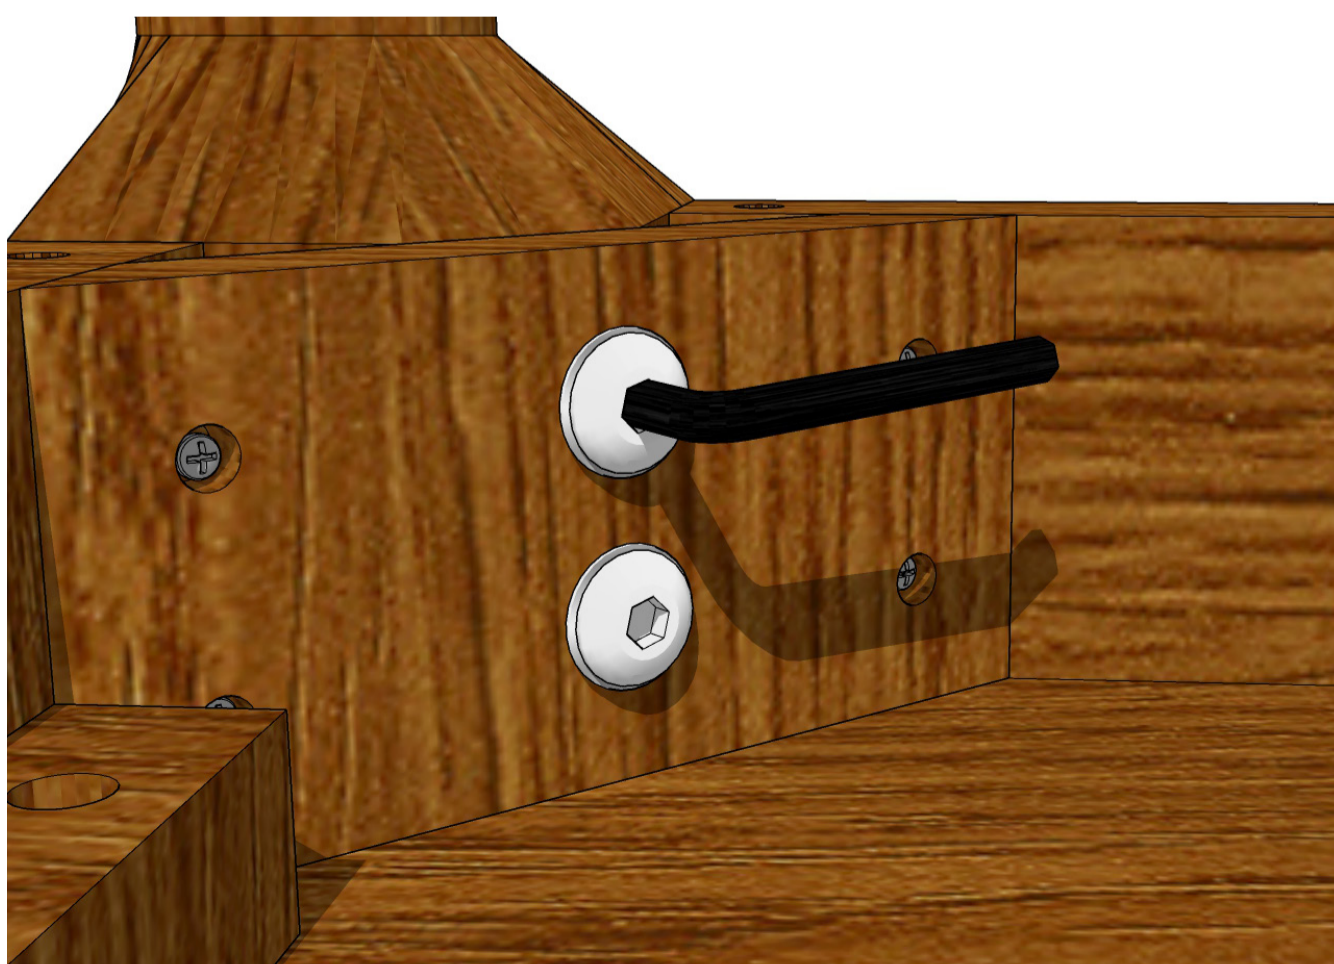

STEP 04:

Once you have positioned the leg into place, put the screws (A) to the pre-cut holes.

STEP 05:

Make sure that you hold the leg in place while you fix them before moving on to the next step.

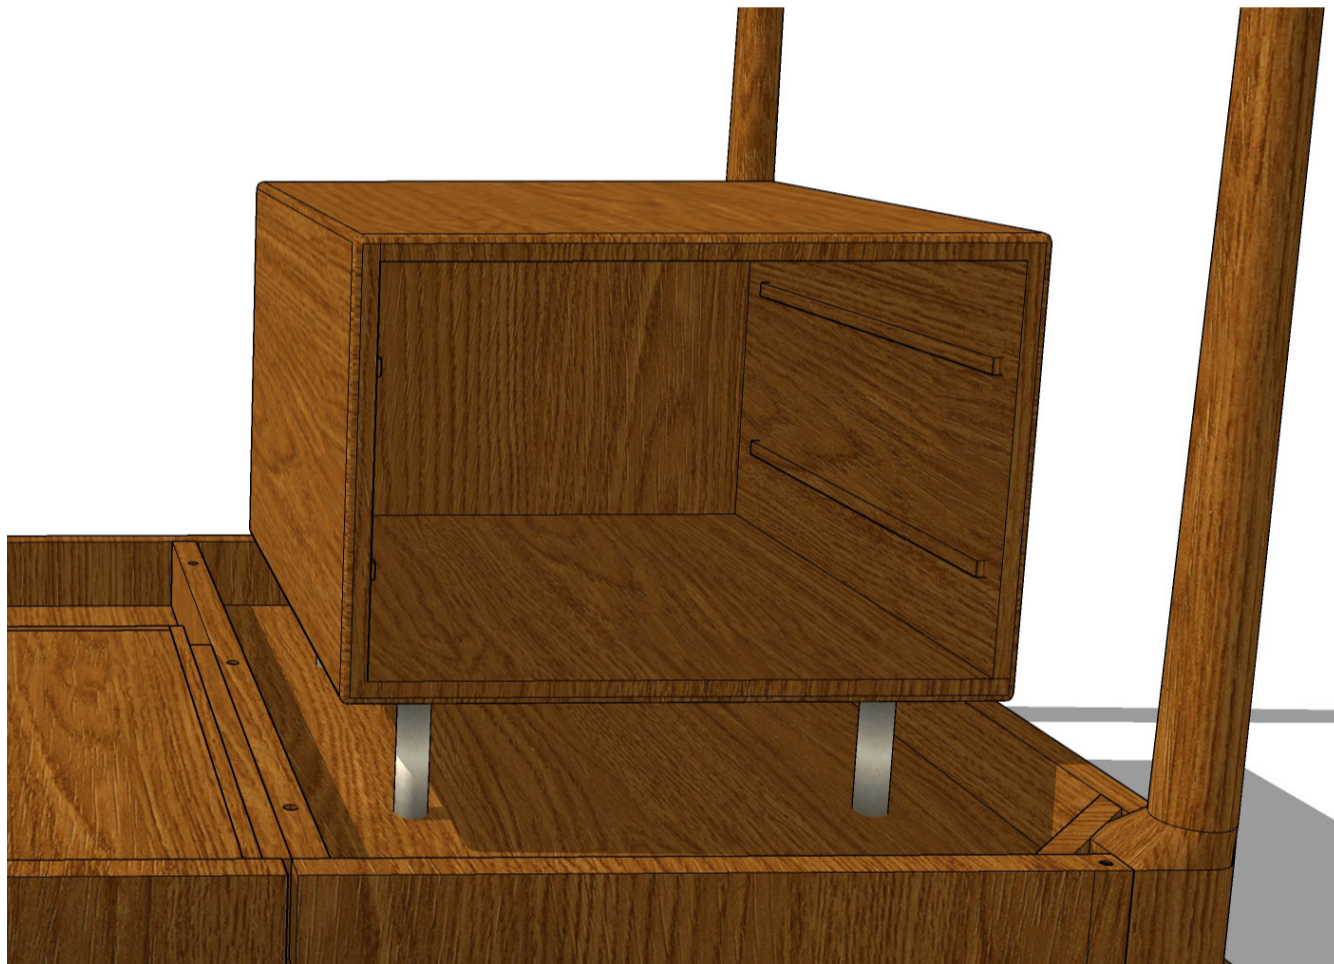

STEP 06:

Use the allen key (B) provided, to securely fix the screws. Once you have done that with the first leg, repeat the steps with the other three legs.

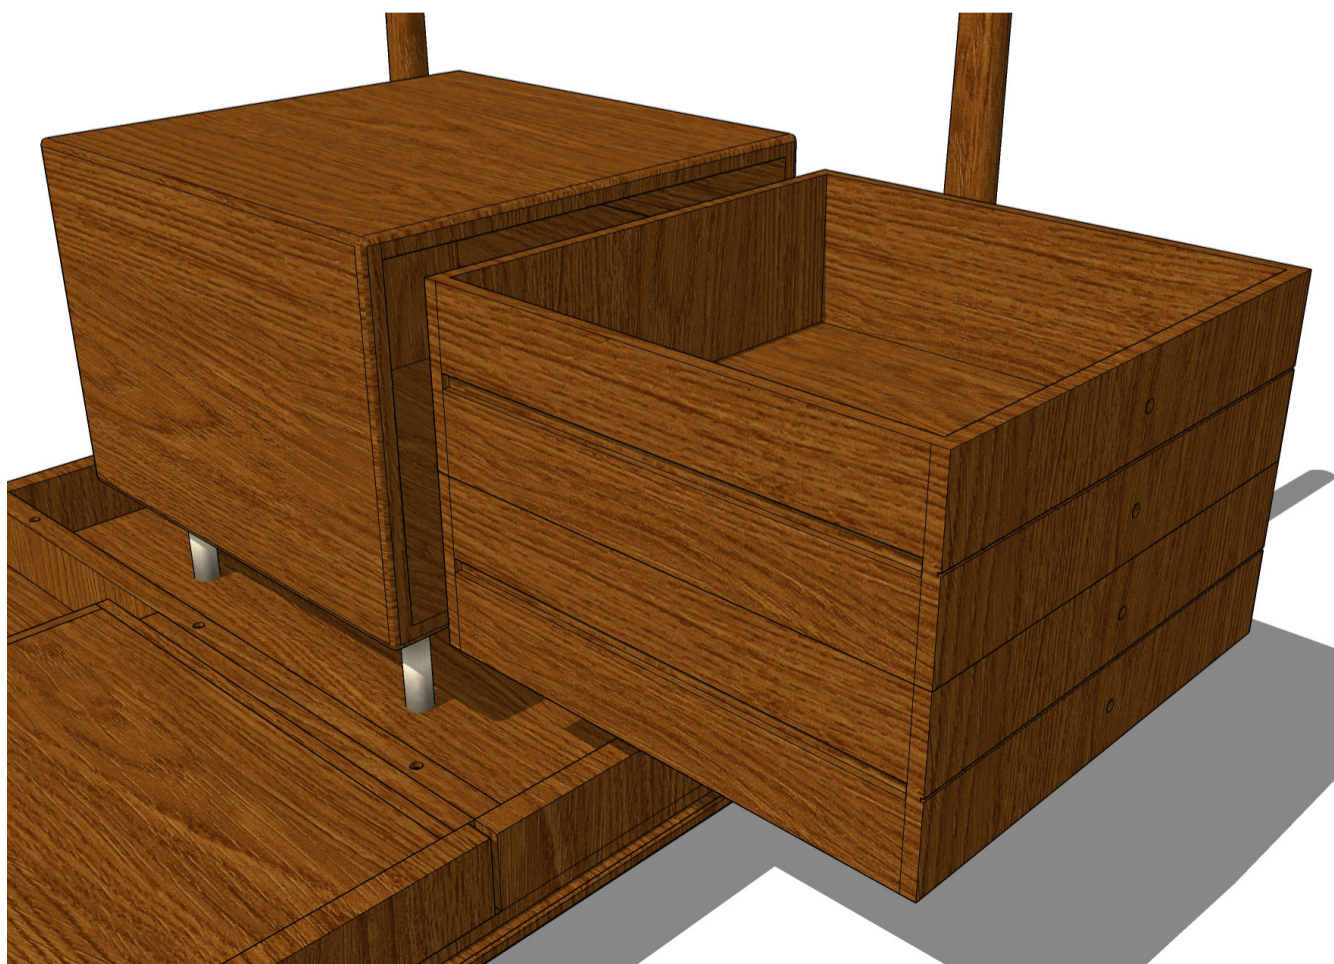

STEP 07:

Place the drawers carcass into the precut holes. You can place the drawers either to the right hand side or the left hand side of the desk.

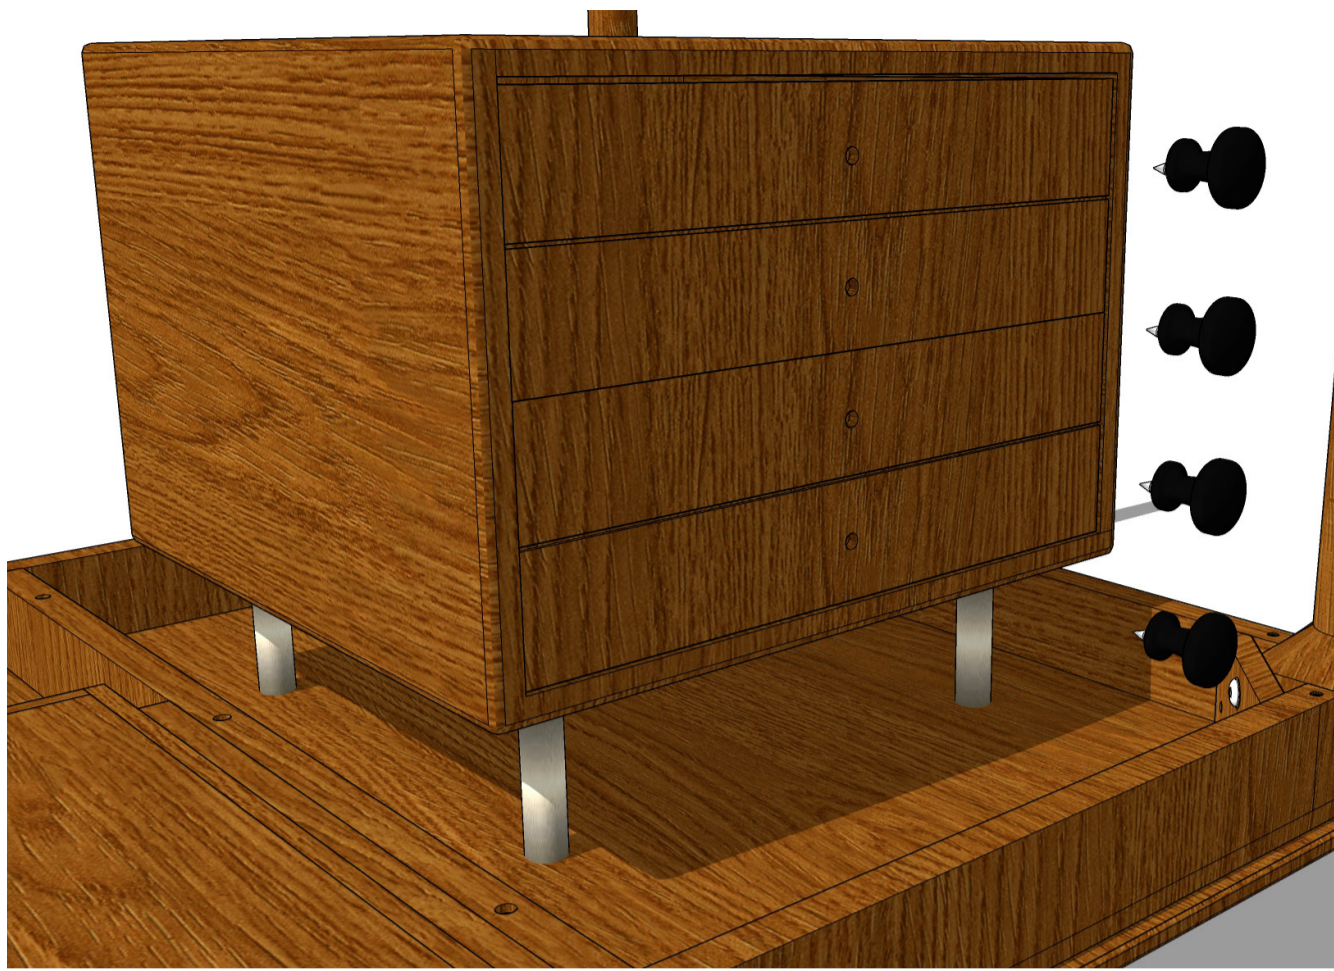

STEP 08:

Carefully place the drawers carcass to the desired position of the desk.

STEP 09:

Place the two drawers in the drawers carcass.

STEP 10:

After you have placed the drawers, fix the handles on each drawer.

STEP 11:

Make sure that all the parts are securely fixed before moving the desk.

FINAL STEP:

Carefully turn the desk upright with the help of another person.
