Points to confirm

Supply only / Supply and install

- Are all the walls new / renovated?
- Are all the walls plumb (straight)?
- Have the walls been measured at shoulder, waist & ankle heights?

Complete below if **supply and install** required

- If the bathroom is upstairs or below ground level – are additional costs accepted?
- If beyond 40km from CBD – are additional costs accepted?
- All shower panel heights are as specified on product page.
- Is any panel size 1200mm or wider?
*Please advise customer of costs as per **page 1** additional services.*
- If walls measured are not straight is the use of channel accepted? If no, additional costs will be confirmed prior to proceeding.
- Price confirmed based on customers information and monies taken?
