

# ACCO

by Florian Schmid

Acco è un tavolo da pranzo elegante, dal carattere forte, che non si fa etichettare. Si esprime con un linguaggio maturo e ricercato, sviluppato nel disegno del basamento dove precise linee in legno si accoppiano con regolarità.

Acco is an elegant dining table with a strong character that resists labelling. It displays a mature, sophisticated language, which is developed through the design of the base frame with its distinct regular pattern of wooden lines.
