 - G1.3.2 - Avoids Harboursing dirt or germs
-

Scope of Use

The Door sets are designed for internal use only. They are suitable for residential and commercial installations. Door sets are designed to be installed on Athena shower trays but may be used with other trays of similar specifications or on tiled floors.

Conditions of Use

If the Door set is to be installed on a Athena shower tray with tiled walls the Door set must be installed directly to the water proof membrane to ensure fitment.

Only the Sealants provided by the manufacturer must be used in the installation
