## ***Instructions***

1. Your design should cover the whole grey areas, include the **bleed** between the **RED** line and the edge of the grey areas.
2. Keep all important text and graphics within **RED** trim line.
3. Convert all texts to outline.
4. Use CMYK colours instead of RGB colours, even for images.
5. Make sure that the resolutions of all images are **>150** dpi.
6. Save as a **PDF** file and submit it to our website. Or use Google Drive, Dropbox if it is too large.
