## ***About Galaxy Homeware***

---

Galaxy Homeware was established in 2013 by professional bathroom interior decoration people who have been in the industry for more than 10 years. Since the opening, we have been proud of our unique and fantastic customer services, which allowed us to grow fast. Galaxy Homeware has been the perfect place for our customers to enjoy the time either of building a brand new house or renovating an existing bathroom. It has always been a trusted place to get a wide range of selection of showers, vanities, toilets, bath and other bathroom products to suit any styles and budgets for everyone who wants to have a modern bathroom. Our products deliver an attractive combination of long lasting quality and design at an affordable price.

All of our products are imported from China, with great quality passing Australia and New Zealand Standards, but it does not stop there. To suit the discerning tastes and requirements of our customers, we are also catering for ALL the NEW ZEALAND Brands. ALL of our vanities, shower units and tapwares have five to ten year warranty, that means in this time period, anything goes wrong with the products, we will fix it for you.

We recommend you take some time browsing our website or Trademe shop when you are planning of your new bathroom or renovation project. It packs with even images to assist your bathroom product selection.
