Bespoke Starter Packs

To create your bespoke starter pack you can choose from either a three sided or a four sided floor stand. However, if you have limited space you may wish to choose our counter stand - whichever suits you best. We can customise your floor stand to your attractions theme whether that be a Zoo, Aquarium, Wildlife, Museum or Heritage site.

Please choose your designs which are shown throughout this brochure and we can put together a stand just for you. If you have any special requests please contact us and we will be more than happy to help tailor this service to your requirements.

One of our experienced team members will guide you through this process and advise you of our more popular items.

Last but not least, as with all your chosen products your branding cards will be included complimentary. Just email the logo to us at sales@wildtouch.co.uk and we'll do the rest.
