Flex is a multifunctional magnetic storage shelf, just the right size and with all the elements you need for keeping your bits and pieces tidy in all sorts of settings.

Stylishly functional in the best tradition of Nordic design, Flex is made with a focus on high quality materials and combines a magnetic strip, shelf, hooks, mirror, side table, boxes and more. Effortlessly interchangeable, you choose the set up that works for you.

Flex uses a powerful magnet that allows the different elements to be placed just where you want them without wobbling.
