## RING SIZE GUIDE

Please print this guide on A4 paper, set to Full page and scaled to 100%.

Take a ruler and measure the scale bar below. It should measure exactly 1 inch or 30mm long.

1. Select a ring that fits the intended finger.
2. Place the ring over the nearest matching circles below.  
The pink circle would be the equivalent of your finger size.
3. If your ring falls between two sizes, select the larger size.

You can avoid resizing issues by visiting a Canturi Salon for a personalised size assessment.
