- Removes Stains Caused by Urine, Feces & Vomit
- Trusted by Professionals

EcoStrong We believe that there are better alternatives to the typical chemical products we've grown up with. At EcoStrong®, our philosophy is simple: design products that will outperform the competition, never cut corners, and never damage the environment in the process of achieving our goals.

We understand the needs of our products—they must do the job they are designed for. EcoStrong is putting biology to work on things to solve problems that used to just get covered up, sterilize or rinse away. While you can throw all kinds of things at the problem, we have natural and sustainable. Something we can all feel good about.

Our Strongest Formulation - Expect to be Impressed

Eco Strong's special concentrated feline formulation eliminates stains and odors caused by cat urine. It will also work on vomit, feces, blood and more. Our advanced odor elimination technology goes to work instantly while billions of beneficial enzyme producing bacteria break down and digest these difficult stains and odors left behind by our furry feline friends.

EcoStrong's Cat Stain & Odor Eliminator is our highest performing formulation. Our advanced bio-enzyme formula destroys intense cat urine odors on contact while breaking down and completely consuming stains until they are gone. **EcoStrong's Cat Stain & Odor Eliminator** cleans without discoloring or damaging, whether cleaning carpet, rugs, hardwood, furniture or fabric our bio-enzymatic formula is tough on stains but gentle on ALL surfaces. **EcoStrong** can freshen up any area of the home, try it around the toilet or applied as a pre-wash for laundry to eliminate pet stains and odors from towels, bedding and much more.

EcoStrong's Cat Stain & Odor Remover is all natural and safe for people and pets.

This is awesome. I had a cat who repeatedly urinated in a closet and it was in the concrete subfloor and so far it's eliminated the smell.

I have used other brands and they can be super perfumed, to the point that it's the only thing you can smell. This has a pleasing aroma that you notice, and lasts for a good long time but it doesn't blast you in the nose.

Apply before use. Always test the area for color fastness by applying a small amount with a clean white cloth, and check to see if the color has come off.

For stains to be treated. Before treating always remove as much urine or stain as possible by blotting pets back into the area.

Apply a small amount of very warm water directly to the treatment area. Directly to area, massage into stain with cloth, and let stand 20-30 minutes. Blot with a clean cloth, absorbing as much residue as possible. Allow to air dry.

odors: Apply a small amount of very warm water to treatment area. The water activates the product and helps to break down the odor. Blot the solution. For strong odors, use a warm damp clean cloth scrubbing in changing directions as you go. Completely cover area - Let stand 45-60 minutes. Remove residue with a clean (warm water) cloth. Blot dry with an absorbent cloth. Allow to air dry completely and then vacuum.

CAT STAIN & Odor Eliminator

100% Customer Satisfaction Guarantee

NON TOXIC

- Professional Strength, Just for Cats
- Strongest Bio-Enzymatic Formula
- Guaranteed, Odors & Stains Gone for Good

1 Gallon (3.87 L)

Remove Cat Urine Odor and Stains for Good: Our potent kitty-safe bioactive formula masks cat urine odor, it eliminates it. Our formula uses beneficial bacteria and enzymes to break down and consume odor and stain-causing organic residue.

Works on urine, vomit, feces, and blood. It is safe for carpets, floors, bedding, counters, and more. EcoStain and Odor Eliminator even works in the wash.

If your cat likes to pee on your bed, wash your bedding with EcoStrong, and the odor will disappear.

After scooping, spray EcoStrong Cat Stain and Odor Eliminator in the air above the box. Immediately those long-lasting litterbox odors are gone. Repeat anytime your cat leaves a particularly offensive odor. The only smell left will be EcoStrong's light citrus scent.

Eliminates Stains & Odors from:

- Floors, Fabrics & Rugs
- Litter Boxes & Cat Beds
- Patios, Cat Condos & Perches
- Patios & Outdoor Furniture
- Laundry & Bedding
- Diaper Pails & Gym Mats

Ingredients: water bio-surfactant, enzyme-producing bacteria, surfactants, odor counteractants, cat safe essential oils.
Warning: Keep out of reach of children. Do not ingest. Wash hands thoroughly after each use. Keep out of eyes and/or open sores. May cause irritation. If irritation occurs rinse eyes thoroughly with water for several minutes. If irritation persists, seek medical attention.
Storage: Do not freeze.
