**EcoStrong** We believe that there are better alternatives to the typical chemical products we've grown up with. At EcoStrong®, our philosophy is simple: design products that will outperform the competition, never cut corners, and never damage the environment in the process of achieving our goals. We understand the needs of our products—they must do the job they are designed for. EcoStrong is putting biology to work on things to solve problems that used to just get covered up, sterilize or rinse away. While you can throw all kinds of things at the problem, we have natural and sustainable. Something we can all feel good about.

## Your New Best Friend - Expect to be Impressed

Eco Strong's formula eliminates stains and odors caused by dog urine, feces, vomit, blood and more. Our advanced odor elimination technology goes to work instantly while billions of beneficial enzyme producing bacteria break down and digest these difficult stains and odors left behind by our canine friends.

**EcoStrong's Dog Stain & Odor Eliminator** sets a new performance standard. Our advanced bio-enzyme formula destroys dog urine odors on contact while breaking down and completely consuming stains until they are gone. **EcoStrong's Dog Stain & Odor Eliminator** cleans without discoloring or damaging, whether cleaning carpet, rugs, hardwood, furniture or fabric our bio-enzymatic formula is tough on stains but gentle on ALL surfaces. **EcoStrong** can freshen up any area of the home, try it around the toilet or applied as a pre-wash for laundry to eliminate pet stains and odors from towels, bedding and much more.

**EcoStrong's Dog Stain & Odor Remover** is all natural and safe for people and pets.

 ★★★★★

**Bought a Wire Hair Fox**

Bought a Wire Hair Fox Terrier puppy (super handsome little guy)) and the breeder gave me a sample of Eco Strong to try. Absolutely the best I have tried. PS: You should expand your product line.

**Awesome product**

I absolutely love this product! I have 2 senior dogs that have frequent accidents. It work great! Makes our home smell fresh and clean.

the area for color fastness by applying a small amount and check to see if the color has come off.

Always remove as much urine or stain as possible.

Apply to the treatment area. Blot stain with cloth, and let stand 20-30 minutes. Blot residue as possible. Allow to air dry.

Treatment area. The water activates the product and

Use a clean cloth scrub area-changing directions as you apply. Let stand 45-60 minutes. Rinse in (warm water) cloth. Blot dry with an absorbent cloth and then vacuum.
