Eco Strong's **Marine Clean** is perfect for many spills, from grease and grime to spider droppings to spilled wine. Like you, we are boat lovers too. We'd all prefer spending onboard time enjoying family and friends instead of spending hours trying to clean with cleaners that don't work. We made **Marine Clean** specifically to answer the need for an effective, safe marine cleaner that got the job done the first time, every time. Use **Marine Clean** to wash the deck, clean up grease lines on the hull, degrease surfaces, remove stains like rust, blood, spider droppings, etc. It cleans without removing waxes and is a zero VOC eco-friendly and biodegradable product.

**Eco Strong** is a family owned and operated business based in Illinois. We are recognized as a leading Brand manufacturing high performance all natural, bio-enzymatic cleaning and odor elimination products. We also manufacture solutions for: Pets, Septic Systems, Wastewater, Pond, Marine, Chicken & Fly.

★★★★★ **Great for the entire boat!**

I decided to try Marine Clean even though it's a new product. I use their head treatment and it is great. I mean nothing takes the stink out like their tank treatment product, even in the heat! I've used Starbrite deck cleaner before, but it really doesn't work to clean the entire boat. It's ok on the nonskid deck but not very effective in other areas. The Marine Clean is much better and we even cleaned the head and galley with it. In fact, it is a strong degreaser! It worked quicker and at least as good as Starbrite. I am very pleased how well it works! The bottle cap that lets the liquid out is very clever, as you can control the amount you use. These high end cleaners are expensive, but you get what you pay for. I'll buy the gallon next.

**Directions For Use:**  
**Follow dilution table.**  
 1) Wet surface.  
 2) Apply Marine Clean, scrub and let stand for a few minutes, do not let dry.  
 3) Scrub again and rinse thoroughly.

DILUTION	ZVOC:WATER
Medium	1 part: 10 parts
Heavy Duty	1 part: 3 parts
Extra Heavy Duty	1 part: 1 part

**Caution**  
 1) Discoloration may occur on warm/hot aluminum.  
 2) Not recommended for use on glass or leather.

**Warning:** Avoid contact with skin, and eyes. Do not ingest. If contact with eyes occurs, rinse with water for 15 minutes. If irritation persists seek medical attention. If ingested, drink large quantities of water, immediately seek medical attention. Keep away from children. See
