Benefits

- Complete odor elimination
- Descreet
- Contributes to system health

Eco Strong is a family owned and operated business based in Illinois. We are recognized as a leading Brand manufacturing high performance all natural, bio-enzymatic cleaning and odor elimination products. We also manufacture solutions for: Pets, Septic Systems, Wastewater, Pond, Marine, Chicken & Fly.

No One Needs To Know When You Go

Marine toilets are located in small spaces next to living quarters which presents a unique toilet odor elimination challenge.

Our unique, before you go, toilet spray is a super concentrated blend of essential oils, natural odor counteractants and biology. By marrying biology with a powerful combination of natural essential oils and odor counteractants we offer a more complete odor elimination solution for the boater.

When used with our Marine Tank Treatment you can say goodbye to toilet and holding tank system odors, completely and naturally.

Available in a 4oz mist sprayer and 16oz refill.

Directions

Shake well before using. Spritz 4 or 5 sprays on to the water surface in the toilet before you go. Always prefill the toilet with water before use.

Ingredients: Water, bio-surfactants, odor counteract, lavender essential oils, enzyme producing bacteria.

Warning: Keep out of reach of children. Do not ingest. Wash hands thoroughly after each use. Keep out of eyes and/or open sores. May cause eye irritation. If irritation occurs rinse eyes thoroughly with water for several minutes. If irritation persists, seek medical attention.
Storage: Do not freeze.
