Whether you're a lover of cats, dogs, or other furry friends, no one can argue that we are equally obsessed with our pets. Our pets are part of the family, but even the best pet has an occasional oops. We love our furry family members, but not the messes that they leave behind.

That's why we developed **Eco Strong Stain & Odor Eliminator**. Our powerhouse formula is an all-natural, bio-enzymatic cleaner. **Eco Strong Stain & Odor Eliminator** obliterates the oops, by breaking it down and consuming stains and odors until they are completely gone. **Eco Strong Stain & Odor Eliminator** cleans without leaving materials discolored or damaged. Whether on carpets, rugs, hardwood, furniture or fabric, our bio-enzymatic cleaner is tough on stains, but gentle on surfaces. **Eco Strong Stain & Odor Eliminator** can freshen up the area around the toilet or be applied as a prewash for laundry to eliminate pet stains and odors from towels, bedding and more.

**Eco Strong Stain & Odor Eliminator** is all-natural and safe for people, pets and the planet.

**Beyond Environmental** offers a full line of biologic solutions that transform contaminants into harmless compounds such as water and CO<sub>2</sub>. All of our products utilize the highest quality, scientifically selected microorganisms and environmentally safe surfactants. We offer products and services for wastewater treatment, commercial and industrial degreasing as well as soil remediation. At Beyond Environmental, our goal is to be your partner in protecting the environment for generations to come.

# Stain & Odor Eliminator

Challenge		Solution
<b>Pet Odor</b>	Our pet is getting old and has unfortunate accidents in the house.	<b>Eco Strong Stain &amp; Odor Eliminator's</b> light citrus scent instantly eliminates odors while beneficial bacteria consumes the source.
<b>Pet Stains</b>	Our puppy isn't housebroken yet and our carpets are paying the price.	<b>Eco Strong Stain &amp; Odor Eliminator's</b> all-natural formula uses bio-surfactants to lift the stain while beneficial bacteria consumes the source.
<b>Harsh Chemicals</b>	I'm concerned about using harsh chemicals in areas where my pet spends a lot of time.	<b>Eco Strong Stain &amp; Odor Eliminator</b> is an all-natural, pet safe, chemical free, proven product that is trusted by pet owners and professionals.

## Directions

Shake vigorously before each use. Always test for color fastness by applying in a hidden area.

## Surface Cleaning

- Before using, remove as much urine or stain as possible.
- Apply a liberal amount of Eco Strong directly on the area.
- Let stand for 5-10 minutes, then blot with a clean cloth and leave to air dry.

## Deep Cleaning

- Mix 9 parts of product with 1 part warm water. This step activates **Eco Strong Stain & Odor Eliminator's** deep cleaning power.
- Apply liberally, ensuring that the product penetrates the carpet, underlying pad, and/or cushion.
- Let stand for at least 1-2 hours. Absorb residue out of carpet or cushion using weighted towels.
- Allow to air dry. Stain and odor should be gone. Older stains and odors may need multiple treatments.
