## CARE INSTRUCTIONS

Always wear clean gloves when handling the luminaire. Clean finished surfaces with a soft, lint-free cloth. Clean glass with a clean cloth and glass cleaner. When changing light bulb, turn fixture off and allow to cool to room temperature prior to removing glass.

For replacement parts contact A-N-D directly.

Replace Lamping with G9 LED lamps. Never exceed the recommended wattage and voltage, as doing so may damage the luminaire or cause a fire.

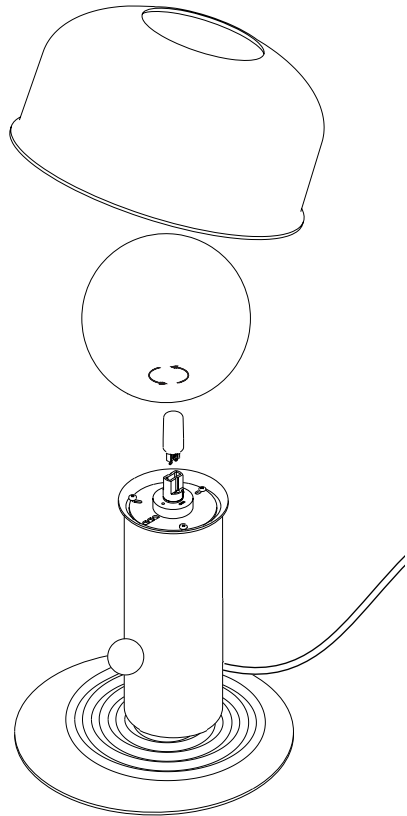

## ASSEMBLY

### Install the G9 lamp, glass globe and lamp shade.

To install the G9 lamp, push the lamp into the socket until it 'clicks' into place.

To install the glass globe, spin it clockwise until it rests against the rim of the lamp base.

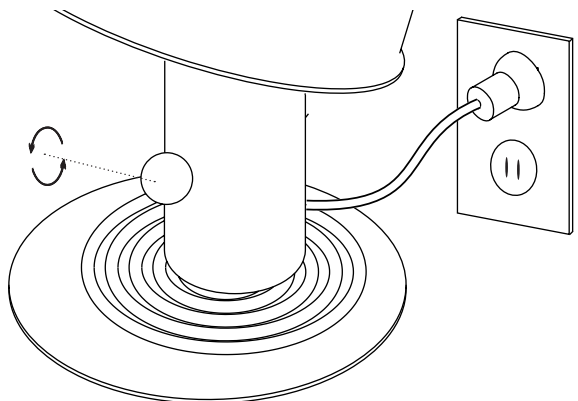

Place the lamp shade on the glass globe. Pivot it to the desired position.

## ON / OFF + DIMMING

### Plug the Pivot into the wall receptacle.

Rotate the marble switch to turn the Pivot on, off and to adjust the brightness.
