

2023 TRAINING GUIDE

BUGSLIDE®

BUGSLIDE® IS AN ALL-IN-ONE CLEANER, POLISH, & BUG REMOVER.

BugSlide® is designed to be used as an everyday cleaner, safely and easily removing bugs and debris without water or wax.

SAFE FOR
& MATTE
DENIM
PAINT

BUGSLIDE® WORKS ON MULTIPLE SURFACES.

BugSlide® contains no petroleum or silicone, unlike most of the “bug and tar removers” on the mass market, which is why it’s safe to use long term on all non-porous surfaces.

SAFE ON ALL NON-POROUS SURFACES, INCLUDING:

ACRYLIC

ALUMINUM

CHROME

FIBERGLASS

GLASS

LEATHER

LEXAN

PAINT

PLASTIC

PLEXIGLASS

VINYL

SAFE FOR MATTE & DENIM PAINT

BUGSLIDE® HOW TO: JUST SPRAY AND WIPE.

- 1** SPRAY BUGSLIDE ON THE SURFACE
- 2** LET SIT FOR 30-60 SECONDS
- 3** WIPE WITH MICROFIBER CLOTH
- 4** LIGHTLY BUFF/DRY

SAFE FOR
MATTE
& DENIM
PAINT

BUGSLIDE® REMOVES, PROTECTS, & REPELS.

BugSlide leaves a microscopic finish that is polymer based, creating a protective coating that not only repels dust and bugs, but makes them easier to wipe off with each use. This makes BugSlide both a remover and preventer.

SUITABLE FOR (BUT NOT LIMITED TO):

CARS

MOTORCYCLES

RVS

TRUCKS

ATVS

BOATS

AIRPLANES

SAFE FOR
& MATTE
DENIM
PAINT
