

Sustainability Disclosure

Article TIMELESS

General Assessment

Upcycled waste materials

Sustainably-harvested carbon traps

Pre and Post-consumer recycle

Polyester fabrics, PET bottles, PU foam, Rubber scraps

Upper Materials

Upper material - VeganBase

100% Animal Free

Composition: 100% Polyester

Lining Materials

Lining - Rebotilia

Sustainable content*: 100%

Composition: 100% Recycled Polyester

Certifications: GRS

Sole Materials

Outsole - ReRubber

Sustainable content*: 20%

Composition: 20% recycled SBR rubber, 80% rubber

Certifications: As declared by supplier

Other Materials

Laces

Cotton

Insole topsheet

Recycled Polyester

Insole footbed

Recycled PU foam

*Sustainable content is the % of circular material technology within the material composition
