CHILDREN’S HAPPY FACES FOUNDATION HOSTS GOLF & TENNIS EXPERIENCE

After a pandemic pause in 2020, Children’s Happy Faces Foundation held its charity golf and tennis experience at the Westchester Country Club, raising \$450,000. All gathered with dinner guests at the club’s outdoor terrace and enjoyed live music by the Parker Reilly Band and the American Bombshells to benefit Ronald McDonald House New York.

“The incredible support from the New York real estate industry directly benefiting Ronald McDonald House New York is truly amazing,” said David Lipson, CEO and founding member of Children’s Happy Faces Foundation and senior managing director of Century Management Services Inc., the event’s chairman. “While it has certainly been a tough 18 months for the entire world and the

pandemic has touched all one way or the other, the children and families of Ronald McDonald House New York continue their daily battle of survival. So, it is wonderful to see such an outpouring of love and support.”

Sponsors included: Title Sponsor Century Management Services; Platinum Sponsor Hercules Corp.; Gold Sponsors Morgan Stanley and National Cooperative Bank; Silver Sponsors Bargold Storage Systems, Gallagher and Efficient Combustion Cooling and Heating; Bronze Sponsors Daniels Norelli Cecere & Tavel PC and M & R Management and Brass Sponsors Gallet Dreyer & Berkey LLP, JAD Corp., Mann Publications, Schwartz Sladkus Reich Greenberg & Atlas and Skyline Restoration.
