Volunteering can take place from anywhere with our Virtual Volunteer Opportunities! Organize a Virtual Race with your friends and colleagues to benefit the House or host a Virtual Dinner Party with our families to play games or do fun activities with our kids!

**Virtual Activities**
RMH-NY is proud to have volunteers who donate their time to provide a variety of Workshops and Sessions for the families in our community. These pre-recorded videos and live calls range in topic and aim to reduce stress, encourage strength, wellbeing, positivity and fun.

**Meal Program**
Although our in-person volunteering remains paused, our Meal Program continues to serve families in-house 3 meals a day through gift-in-kind donations and virtual dinner parties.

**Virtual Races**
Create a Virtual Race for your staff or group to participate in while also raising funds for a good cause.

**Virtual Fundraiser**
Host a virtual event or fundraiser to raise funds for Ronald McDonald House New York and the families we serve. Whether you want to host a virtual pizza party, baking class or simply a Facebook Fundraiser, every dollar raised makes a significant impact to our House.
