*Since 1978, Ronald McDonald House New York has opened its doors and welcomed over 59,000 families with a child undergoing pediatric cancer therapy at one of our 16 partner hospitals. In 2017, the House completed an expansion that increased guest room capacity to accommodate 95 families. We have (6) non-hospital transplant recovery suites available for pediatric oncology patients in NYC and a RMH family room at Kings County Hospital that has served over (1,000) caregivers.*
