

# Solar Pool Covers

Help your customers get the most out of their pool with Henden Solar Pool Covers. Protect the pool from debris, trap heat and reduce heat loss and water evaporation. Made sustainably in Australia, they're designed for premium performance. Available in standard or custom sizes & delivered pre-cut straight to site ready to install.

- > **550 micron pool cover for long lasting performance**
- > **Air pockets to insulate air and trap heat**
- > **Available in our signature Henden Blue**
- > **Suitable for all pools**

## Benefits

- > **Long lasting high performance**  
At 0.55mm thick, the 550 micron pool cover lasts much longer than thinner pool covers
- > **Heat retention**  
Trap and retain the sun's heat to increase the temperature of the pool by 6-8°C while reducing heat loss by up to 75%. This allows you to extend the swimming season into Spring and Autumn
- > **Protection from debris**  
Simply and effectively reduce maintenance and keep your pool free of debris, from garden dirt to leaves and insects
- > **Save water**  
Reduce up to 95% of water evaporation and save up to thousands of litres of water per month, during Summer
- > **Australian made**  
100% designed and produced in Australia

## Cut to size and ready to install

Henden takes the hassle out of sizing and installation. The Henden Solar Pool Cover is cut to size and delivered to site ready to install, saving you time on the job.

Product size	Product Code
Custom	1537840
6 x 3m	1537841
7.5 x 3.5m	1537842
8 x 4m	1537843
9 x 4.5m	1537844

## Market leading warranty

The Henden Solar Pool Cover is covered by a 10 Year Pro Rata warranty. This means your pool cover is covered against manufacturer defects for a total of 10 years from the original date of purchase, with certain discounts applied every year the pool cover ages.

Years	Discount off replacement
1 to 4	100%
5 to 7	50%
8 to 10	25%

## Committed to sustainability

We minimise our impact on the environment through continuous improvement, adopting strategies such as source reduction, use of recyclable and recycled materials and encouraging re-use where possible, without compromising our commitment to quality.

### Our environmentally friendly solar pool covers are:

- > Compliant with ISO14001 environmental standards
- > Contain up to 15% post-industrial recycled content
- > A 100% recyclable product

### Our covers are approved by:

**Note:** Solar Pool Covers are not safety covers. They are not designed to support the weight of a person or pet. Potentially save thousands of litres of water per month during Summer
