Smart A-Z Minerals was founded in 2019 with the goal of delivering quality ionic minerals to the World. Smart A-Z Minerals is Headquartered in Ouray, Colorado with all of our products being produced in the USA. Prior to the founding of the Company, we researched, experimented and tested our product for several years. Our founding members have personally used mineral supplements since 1999 and rely on them for health maintenance.

#### **Mission Statement**

Smart A-Z Minerals is determined to provide healthy and safe ionic minerals for our customers. We will use only the highest quality minerals and ultra clean bottling practices in production of our products. We aim to produce cellular available minerals with consistently accurate mineral levels that are pure and clean.

All of Smart A-Z Minerals products are made in the United States. Our state-of-the-art manufacturing plant is located in Mebane, North Carolina.

At Smart A-Z Minerals, we are conscious about what we put in our bodies, that's why all of our products are:

- Natural • Cruelty-free • Vegan approved
- Gluten and Soy Free • BPA Free

**It's SMART**  
**to invest in yourself.**
