Range & Pasture

Roadside / ROW

ACTIVE
INGREDIENT:

Clopyralid 40.9%; 3 lb. ae/gal

PRODUCT:

SONORA™
HERBICIDE

**Reclaim your land from
hard to control broadleaf
weeds and brush.**

Label Details:

- CAUTION Signal Word
- Group 4 Herbicide (synthetic auxins or plant growth regulators)

Use Sites:

- Rangeland and permanent grass pastures
- Forest sites
- Tree plantations
- Wildlife openings including grazed areas on these sites
- Non-cropland areas
- Industrial manufacturing and storage sites
- Rights-of-way

**Recommended Mesquite
Control Treatment:**

- SONORA™ 1/4 lb per acre (10.7 oz)
- Triclopyr 4 1/4 lb per acre (8 oz)
- TRIUMPH® 22K 1/2 lb per acre (32 oz)
- Alligare 90 0.25% v/v (NIS)

SONORA™ HERBICIDE from Alligare will control tough broadleaf weeds and select brush species including mesquite, biennial & perennial thistles, knapweeds, kudzu, and locust. SONORA™ HERBICIDE provides outstanding selectivity in pastures, rangeland, roadsides/rights-of-way and in many hardwood and conifer sites.

- **No grazing or haying restrictions following application when used at labeled rates**
- **Excellent control of many noxious and invasive weeds**
- **Post-emergence control of broadleaf weeds in new and established cottonwood/poplar and eucalyptus tree plantations**
- **For the control of mesquite and certain associated woody species on rangeland and permanent grass pastures**
- **Can be used to control certain problem weeds growing in forest sites and should be applied either at site preparation or after trees are planted (tree release)**

SONORA™ HERBICIDE

Active Ingredient:

SONORA™ HERBICIDE is powered by the active ingredient clopyralid, a pyridine carboxylic acid (synthetic auxin). Herbicides in this family work by selectively promoting unregulated growth in susceptible broadleaf weeds and brush causing disruption of multiple biochemical pathways leading to plant death. SONORA™ Herbicide is formulated as a soluble liquid and contains 3 lb./gal acid equivalent of clopyralid.

Canada Thistle

Targeted Weeds: (See label for complete list)

Woody Plants and Vines:

Eastern redbud
Kudzu
Locusts
Mesquite
Mimosa
Wisteria

Broadleaf Weeds:

Chamomiles
Clovers
