Product Description: **Linelube Gear Oil EP 80w90**

Linelube Gear Oil EP 80w90 is blended from solvent refined base oils of low aromatisation and a carefully selected extreme pressure additive system which is fully compatible with multi-metal surfaces, typical with those found in worm type gear drives.

Benefits:

- Excellent oxidation stability
- Good protection against rust and corrosion
- High level of wear protection

Applications:

Linelube Gear Oil EP 80w90 is suitable for use in circulatory and bath lubrication of heavily loaded gear units. It has excellent corrosion protection, demulcent ability and oxidation resistant properties.

Product Profile:

API GL4

Typical Test Data:

SAE -	80W/90
Specific Gravity (@15.6°C) -	0.890
Viscosity @ 100°C -	15
Viscosity Index -	>90
Flashpoint °C -	>220
Pour Point °C -	-20

Health & Safety:
