Piquette is a natural pétillant (spritzy) wine produced by fermenting rehydrated, pressed grape skins. Fresh pressed grapes are still packed with sugar and the spontaneous fermentation results in a lower abv wine with skin contact flavors. It's light and refreshing like a dry cider with fruity grape flavors. Made from Chardonnay and Vidal Blanc grape skins from Greenvale Vineyards in Portsmouth, RI.

Anchor & Hope is a craft winery in Rumford, RI. Our grapes are grown on small family farms in Germany, California, Oregon, Rhode Island and New York. All of our wines are from a single vineyard, farmed sustainably, and made using minimal intervention practices. They are elegant, easy drinking, and food friendly.
