This Grüner Veltliner is fresh and vibrant with citrus flavors, floral aromatics and a mineral finish that makes it the perfect alternative to Sauvignon Blanc. The wine is fermented and aged in stainless with no oak influence. Our dear friends Nico and Laura Espenschied craft their wines "with heart and hand" in the village of Flonheim, Germany

Anchor & Hope is a craft winery in Rumford, RI. Our grapes are grown on small family farms in Germany, California, Oregon, Rhode Island and New York. All of our wines are from a single vineyard, farmed sustainably, and made using minimal intervention practices. They are elegant, easy drinking, and food friendly.
