This Pinot Gris offers rich, honeyed and tropical fruit flavors, salty minerality, and an almond pastry note that is derived from aging on the native yeast with some skin contact. The grapes are grown on the rolling hills above the Rhine River by the Groehl family. In ancient times, this impressive landscape was underwater. The sediment of prehistoric, calcium rich shells, volcanic rocks, and red sandstone make Rheinhessen an incredible place for Pinot varietals.

Anchor & Hope is a craft winery in Rumford, RI. Our grapes are grown on small family farms in Germany, California, Oregon, Rhode Island and New York. All of our wines are from a single vineyard, farmed sustainably, and made using minimal intervention practices. They are elegant, easy drinking, and food friendly.
