The Greenvale and Macari Vineyards are uniquely situated on two islands, "the archipelago", where well-draining sandy soils and drying, marine winds give us the opportunity to grow wine grapes in a challenging climate. The Wilson family's Greenvale Estate on Aquidneck Island, and the Macari family, rooted on the North Fork of Long Island, both planted Chardonnay almost 40 years ago. Generations of experience and passion helped craft this deliciously complex and nuanced Chardonnay.

Anchor & Hope is a craft winery in Rumford, RI. Our grapes are grown on small family farms in Germany, California, Oregon, Rhode Island and New York. All of our wines are from a single vineyard, farmed sustainably, and made using minimal intervention practices. They are elegant, easy drinking, and food friendly.
