This elegant wine offers flavors of peach and white tea with aromatics of citrus blossom honey. In collaboration with Eckehart Groehl and his family, we practice sustainable farming and minimal intervention winemaking on their estate in the Rheinhessen. The "Hill Country" is rich with a variety of calcareous soils that are amazing for growing Pinot varieties.

Anchor & Hope is a craft winery in Rumford, RI. Our grapes are grown on small family farms in Germany, California, Oregon, Rhode Island and New York. All of our wines are from a single vineyard, farmed sustainably, and made using minimal intervention practices. They are elegant, easy drinking, and food friendly.
