This fun, light and refreshing rosé has flavors of strawberry and rhubarb with lovely floral aromatics. Early harvest red grapes are sent directly to the press and then fermented naturally in stainless. Our growers and co-winemakers, Nico and Laura Espenschied, practice sustainable farming and minimal intervention winemaking on their family estate in the Rheinhessen. This is a delicious rosé to enjoy year-round.

Anchor & Hope is a craft winery in Rumford, RI. Our grapes are grown on small family farms in Germany, California, Oregon, Rhode Island and New York. All of our wines are farmed sustainably and made using minimal intervention practices. They are elegant, easy drinking, and food friendly.
