Bright and refreshing flavors of grapefruit and lemongrass are followed by salty minerality. Clean winemaking, extended skin contact and a slow, cold fermentation in stainless, it is the culmination of a decade of collaboration with our grower, mentor and co-winemaker, Eckehart Groehl. This is the perfect wine for alfresco dining, coastal cuisine, and is a staple on our table year round.

Anchor & Hope is a craft winery in Rumford, RI. Our grapes are grown on small family farms in Germany, California, Oregon, Rhode Island and New York. All of our wines are from a single vineyard, farmed sustainably, and made using minimal intervention practices. They are elegant, easy drinking, and food friendly.
