Dry and crisp, this Riesling bursts with citrus and floral aromatics. The vineyard hangs on the historic red slate cliffs of Nierstein, a site originally planted by Romans along the Rhine. Earth-friendly farming and native fermentation in stainless with brief skin contact, it is the culmination of a decade of collaboration with our grower, mentor and co-winemaker, Eckehart Groehl.

Anchor & Hope is a craft winery in Rumford, RI. Our grapes are grown on small family farms in Germany, California, Oregon, Rhode Island and New York. All of our wines are from a single vineyard, farmed sustainably, and made using minimal intervention practices. They are elegant, easy drinking, and food friendly.
